

## **2021 End of Season MOSSA Instructions**

### **IMPORTANT!**

- ▶ If you signed up a senior as a replacement, **MSFP will transfer** these to replace seniors who did not spend the full \$50 benefit. (Make sure you have submitted all Replacement Senior FarmShare Agreement Forms.)
- ▶ Program rules and regulations require that the benefit level be consistent for all participants and does not exceed the **\$50 annual maximum per individual**. Therefore, if you have provided more than \$50 worth of produce to a participant, **you cannot use the amount over \$50 to offset participants who did not receive their full \$50 benefit.**
- ▶ After MSFP reconciles your account, you can review the Farm Accounting Detail by clicking the Financial Status menu item on the MOSSA homepage. See page 6 for instructions and notes.

-
