Call for Proposals

The Land for Maine's Future (LMF) Board and the Department of Marine Resources (DMR) are seeking proposals for Working Waterfront Access Protection Program (WWAPP) projects using Land for Maine's Future (LMF) funding contained in the FY 2022-23 budget

A copy of the DMR/LMF WWAPP Workbook, which includes all information necessary to apply for LMF funds, can be obtained at the following website: <http://www.maine.gov/dacf/lmf/index.shtml>. Eligible applicants include private landowners, non-profit land conservation organizations, counties, cities, towns, and state agencies. Questions may be directed to the submission contact below.

Applicants are required to submit a letter of intent (LOI) by **Monday, February 28, 2022** and a completed proposal by **June 3, 2022**, each by **5:00 PM EST**, to Melissa Britsch (Melissa.Britsch@Maine.gov) at the Maine Coastal Program, ME DMR, 21 SHS, 32 Blossom Lane, Augusta, ME 04333-0022. LOI's or Proposals received after these dates and times will not be considered.
