

This list was put together using a cursory label search of the National Pesticide Information Retrieval System (available at http://npirpublic.ceris.purdue.edu/state/state_menu.aspx?state=ME). Errors may have occurred. Some products may be legal that were not identified by the search. Not all of these may suit your needs, please read the label before purchasing. Products on this list are registered in Maine for 2021, labeled for ornamental vegetation, Browntail Moth, and the label allows aerial application. Compiled by Pamela Bryer PhD, Pesticides Toxicologist Board of Pesticides Control Maine Department of Agriculture, Conservation and Forestry August 2021
