This list includes companies licensed to provide pest control services on outdoor ornamentals including management of browntail moth and hemlock woolly adelgid. It is not exhaustive and the Maine Forest Service does not recommend these companies above any others; they responded to a survey asking if they wanted to be listed. Please check with the Maine Board of Pesticides Control for current license information ([www.thinkfirstspraylast.org](http://www.thinkfirstspraylast.org)). (Updated January 2026)
