

FY24 Coastal Community Grant Program Statement Questions and Answers

Q1: I have an experimental 3-year Limited Purpose Aquaculture license. May I apply for this grant?

A1: Eligible applicants include counties, municipalities, unorganized territories, tribal governments, and Regional Planning Organizations in Maine's coastal zone. The FY2024 Program Statement, which explains the details about the current grant solicitation, can be found at https://www.maine.gov/dacf/municipalplanning/docs/FY24_CCG_ProgramStatement.pdf.

Q2: The Program Statement says construction activities are ineligible. Are there any exceptions for construction to preserve historic structures that are in jeopardy of destruction due to sea level rise?

A2: The Coastal Community Grant cannot be used for building construction projects. There is no opportunity to waive this limitation for preservation of historic structures that are being impacted by sea level rise.
