Dear Outdoor Hemp Applicant,

Enclosed is an application for a license to grow hemp **outdoors**. Copies of the hemp licensing law (7 MRS Chapter 406-A § 2231) and Departmental rules (Chapter 274) concerning growing hemp in Maine can be found on our website [www.maine.gov/dacf/php/hemp](http://www.maine.gov/dacf/php/hemp)

Please read the application carefully. Be sure to complete all sections and include any additional required information (growing area maps, grow site consent form) before returning the application with the appropriate fee.

Please keep in mind when completing the application that a Hemp License is non-transferrable, and the application fee is not refundable. The Hemp License covers the growing of hemp through harvest. We do not license processing activities or processed products.

Below is some information that you may find useful while filling out your application.

### Explanation of Fees

Maine law requires that the Department cover the costs of operating the hemp program by charging an application fee, license fee and a per acre fee. These fees are as follows:

- \$100 application fee – this fee must be submitted with the application.
- \$500 license fee – this fee is due after approval of the application and must be submitted with the signed license agreement.
- \$50/acre fee – this fee is due after approval of the application and must be submitted with the signed license agreement.

Non-contiguous growing areas separated by more than 50 miles require a separate license application and fees. Please note that license and application fees charged must cover all program costs. This includes travel cost for all inspections, all necessary analysis fees, and salaries for all hemp program personnel.

## Seeds, Seedlings and Clones

Documentation showing that the varieties or cultivars of seeds, seedlings and clones you planted meets the definition of hemp (0.3% or less THC content) must be submitted within 14 days after planting. It is therefore important that you obtain documents from your supplier or breeder that includes the THC test results for the mature parent material that gave rise to the seeds or clones that you planted.

## Deadlines and Duration of License

We no longer have an application deadline. However, you should apply no later than 30 days **before** you intend to plant. Hemp licenses expire 365 days after their date of issuance and **do not** automatically renew. It can take up to 30 days to generate a license agreement once a license is accepted. To avoid delays in the review of your application, double check your forms and make sure all additional documents like maps are attached. Keep a copy of your application for your records. If you grow hemp again next year, you must complete a new license application.

While you can submit your application by email, you must pay your fees with a check or money order, so we recommend mailing the complete package to the following address:

**Hemp Licensing Program  
Maine DACF-Horticulture Program  
28 State House Station  
Augusta, ME 04333-0028**

If you do not hear from us about your application within 10 days, do not delay in contacting the hemp licensing office to make sure we have received your application. You must have a final license agreement before you plant your hemp crop.

For additional information about our hemp licensing program, please review the materials on the hemp web page (<https://www.maine.gov/dacf/php/hemp/>) and sign up to receive updates on the Maine's electronic delivery system.
