At the request of Maine Cooperative Extension and broccoli growers, Adaura, LLC supports the Special Local Need [24(c)] Registration ME-22000X and the sub-SLN registration for Nufarm INC ME-22000XB for the use of GoalTender™ herbicide (oxyfluorfen, EPA Reg. #62719-447 and EPA Reg. #62719-447-71368) for post-emergent weed control on broccoli. Where the number of herbicides available to manage weeds in broccoli is limited, this product remains the only alternative for post-emergence control of broadleaf weeds that escape preemergent herbicide treatment.

5. Workshop Session to Review the Rulemaking Record on the Proposed Amendments to Chapters 20 and 41

*(Note: No additional public comments may be accepted at this time.)*

On December 22, 2021 a Notice of Agency Rulemaking Proposal was published in Maine's daily newspapers, opening the comment period on the proposed amendments to Chapters 20 and 41. A public hearing was held on January 14, 2022 by remote meeting on the Microsoft Teams platform and the written comment period closed at 8:00 AM on January 24, 2022. Eight people spoke at the public hearing and eleven written comments were received by the close of the comment period. Three additional comments were received after the close of the comment period. The Board will now review the rulemaking comments and determine how it wishes to proceed with the rulemaking proposals.

Presentation By: Megan Patterson, Director

Action Needed: Discussion and determination on how the Board wishes to proceed with the rulemaking proposals

6. Consideration of a Consent Agreement with Green Shield Pest Solutions of Saco, Maine

On June 3, 1998 the Board amended its Enforcement Protocol to authorize staff to work with the Attorney General and negotiate consent agreements in advance on matters not involving substantial threats to the environment or public health. This procedure was designed for cases where there is no dispute of material facts or law, and the violator admits to the violation and acknowledges a willingness to pay a fine to resolve the matter. This case involved an unauthorized pesticide application and failure to positively identify the proper treatment site.

Presentation By: Ray Connors, Manager of Compliance

Action Needed: Amend and/or approve

7. Election of Officers

The Board's statute requires an annual election of officers. The members will choose a chair and vice-chair to serve for the coming year.
