Megan -

I am writing to request the Board of Pesticide Control to convene a stakeholders meeting in order to discuss potential improvements to outcomes of pesticide notification registry and regulations. I had a meeting with representatives of DACF this summer to discuss the current processes around the registry, how they are functioning, and ways to review the rules and regulations around it. As this falls under the purview of the BPC, it would seem a natural vehicle for calling together stakeholders affected by the registry to discuss potential areas of improvement.

Thanks for your help in this matter -
