1	Inquiry / Complaint - Detail Report PEGA July Though December 2016									
2	Case ID	Case Status	Caller Type	Event Type	Topic	Site	Date Of Incident	Application Method	Complaint Details	City
3	EC-102	Enforcement Review Pending	Concerned Citizen	Complaint	Unauthorized Application	AG-Cereals and Pasture	7/11/2016	Boom	Alleged unauthorize application of Round Up herbicide to 12 acre field in Pittsfield	Pittsfield
4	EC-171	Resolved-Finalized	Government Employee	Inquiry	Drift	AG-Cereals and Pasture	9/19/2016	Granular Spreader	Caller asked if BPC could check farm that sprays Albair Road and Baird Road in Caribou. FAA employee at 1306 Albair Road said when dust last Friday, it drifted onto his personal car, and federal vehicle. Today a worker was spraying something liquid with a boom. There was no drift today but in the past, the boom sprayer has hit the fence when making turns and there has been drift. Crop = wheat	Caribou
5	EC-122	Resolved-Finalized	Grower	Complaint	Notification / Posting	AG-Small Fruit	7/8/2016	Powered Backpack	Organic strawberry grower said a resident within 800 ft. hired mosquito spraying. Wants to know his BPC notification rights and if local ordinance is in place.	Lebanon
6	EC-128	Resolved-Finalized	Concerned Citizen	Complaint	Notification / Posting	AG-Small Fruit	7/19/2016	Unknown	Caller's neighbor lease some blueberry land to a grower. Caller wanted information on notification. She also has a specific request. She wants to know the bill number for the legislation that took away notification to a nearby property owner that according to LePage was a duplicate effort (About 10 years ago). This bill kill and earlier bill that allowed an interested property owner to get on a notification list- Caller was on that original list.	Columbia
7	EC-130	Resolved-Finalized	Licensed Applicator	Inquiry	Notification / Posting	AG-Small Fruit	7/21/2016	Unknown	Caller left a vm. He asked if our regulations specify a buffer requirement between spray blocks and abutting residents.	unknown
8	EC-187	Resolved-Finalized	Concerned Citizen	Inquiry	Human Exposure / Health Effects	AG-Small Fruit	11/23/2016	Unknown	Her son was recently diagnosed with Tourette's syndrome. She has questions about chromated arsenic and wants to know how to find out if it has been used on the BB fields and about testing soil and/or water for it. She stated she lives on land that was an active BB field 5-7 years ago and she lives across the street from a BB field that is currently active. She has two young children and plans to live on the property for some years and wants to know if she should be concerned.	Union/Hope
9	EC-117	Resolved-Finalized	Concerned Citizen	Inquiry	Odors	Biting Fly/Ticks	7/6/2016	Unknown	Neighbor hires a pest control co. to spray for mosquitoes and ticks. Supposed to be mild products. Caller could smell chemicals, asked types, they were conventional pesticides. Wants to know his rights as an abutter.	Kennebunk
10	EC-175	Resolved-Finalized	Concerned Citizen	Complaint	Drift	Biting Fly/Ticks	9/22/2016	Unknown	Caller emailed the following: The neighbors on either side of me use Mainely Grass from York for spraying mosquitoes. They spray the trees, shrubs, and the entire lawn right up and into the spartina grasses on the water. The spray drifts onto our property which is not OK with us. I have read the state rules and I'm pretty sure they don't allow spraying in a sensitive area. Does spraying with a wand come under aerial spraying?	Cape Neddick
11	EC-134	Consent Agreement Pending	Grower	Inquiry	Water Quality	Forestry	7/26/2016	Rotary	When checking 2015 project efficacy in Square Town this year his company noticed that there was a small unmapped stream in block SQ7. not sure if this stream held water at the time of last August spray project or not. Application of Rodeo, Arsenal and Oust 8 gal total mix/acre.	Square Town

	A	B	C	D	E	F	G	H	I	J
12	EC-148	Resolved-Finalized	Employee	Inquiry	Water Quality	Forestry	8/9/2016	Rotary	Caller said an on ground company review of their 2014 and 2015 projects currently in progress has revealed 29 sites where there may be issues with impacts to water. Company asked if BPC personnel could meet with them at their Fairfield office and also go into the field to help them understand our regulations.	Greenville
13	EC-348	Resolved-Finalized	Concerned Citizen	Complaint	Other	Forestry	8/1/2016	Unknown	Mr. Donovan thinks his neighbors to the north dumped pesticides on his property and killed a few balsam fir trees.	Searsmont
14	EC-129	Resolved-Finalized	Tenant	Complaint	Notification / Posting	General Vegetation Management	7/19/2016	Unknown	Glenridge Gardens caller said "industrial round up" herbicide on the rocks along the front perimeter of each building in the complex this morning. No notification and no posting of the treated area. Applicator sprayed anything in the rock area including toys, shoes and across the sidewalks.	Augusta
15	EC-160	Resolved-Finalized	Concerned Citizen	Complaint	Non-Target Effects	General Vegetation Management	8/16/2016	Unknown	Caller reported that the town of Norridgewock hired Lynch Landscaping to make a herbicide application along the fence of a cemetery adjacent to his property. Caller found a pesticide sign face down on his lawn, did not find any damage to his property but thinks Lynch L.S. sprayed his lawn, trees, and garden because he found the sign.	Norridgewock
16	EC-106	Resolved-Finalized	Concerned Citizen	Inquiry	Water Quality	Other	7/12/2016	Unknown	Wants to know our regulations about controlling poison ivy near water	China
17	EC-115	Resolved-Finalized	Licensed Applicator	Inquiry	Water Quality	Other	7/14/2016	Unknown	Applicator contracted for job with an 10-18 ft. bank from the canal to a road above the canal. The water in the canal is water diverted from the Androscoggin River and returns to the Androscoggin River. Wants to know what BPC regulations are for herbicide applications along the canal bank.	Rumford
18	EC-108	Resolved-Finalized	Employee	Inquiry	License Issue	Other	7/12/2016	Unknown	Employee of ReEnergy called to ask about licensing requirements if a company employee is making applications to their own property in Ft. Fairfield in 2 situations. Fenced in area only accessible to employees. Situation 2 an area where employees and outside contractors have access.	Fort Fairfield
19	EC-146	Resolved-Finalized	Government Employee	Complaint	Non-Target Effects	Other	7/25/2016	Bait	DEP Response Services called to report they just received a call from ME game warden. Warden told her his office as well as the U.S. Fish and WL Service were investigating the spreading of 32 lbs. of rat poison on Ogunquit beach. One dead bird was found. Thought the incident happened w/i the last 2 weeks.	Ogunquit
20	EC-150	Resolved-Finalized	Concerned Citizen	Complaint	Storage / Disposal	Other	8/9/2016	Unknown	Communication company has a facility next to caller's house where they store treated telephone poles with pentachlorophenol. They constructed a pole shed partially enclosed to store the poles away from her side of the complex, but now are storing some of the poles outside the shed. Concern about her health, watershed, employees of company	Rockland
21	EC-173	Resolved-Finalized	Concerned Citizen	Complaint	Non-Target Effects	Other	9/19/2016	Rotary	Caller said a helicopter was spraying nearby on Monday Sept. 19. On Sept. 21 saw the helicopter spraying on a fir plantation that abuts his property. Spraying was done just above tree top level by a blue and white helicopter. Wind was towards his property. Suspects drift, wants to know if spraying is legal and what was applied.	Jonesboro

	A	B	C	D	E	F	G	H	I	J
22	EC-178	Resolved-Finalized	Employee	Inquiry	Other	Other	9/27/2016	Unknown	Caller has some space in a building on a wharf in Portland. The address is 446 Commercial Street. A friend of his has registered Anti-Mite (sp) with EPA. This product/company is in WA state. The caller said the Portland facility would receive containers in 5 to 10 gallons in size and repackage it into retail size containers in Portland as well as store it there for distribution. General Marine Construction on the space- Roger Hale works for this company. Stock rents space now 4500 sq. ft. Would divide space. Only needs 1500 sq. ft. for this GPD. Wants to know if he can operate here under these conditions.	Portland
23	EC-166	Resolved-Finalized	Concerned Citizen	Inquiry	Water Quality	Other	8/15/2016	Unknown	Smith works as a landscaper. One of his clients in S.W. Harbor had some vegetation in a wetland area affected by herbicide work done on an abutting property. There is a sea wall in this area too. Smith wanted to know what can and cannot be done near water and wetlands.	SW Harbor
24	EC-181	Resolved-Finalized	Licensed Applicator	Inquiry	Storage / Disposal	Other	11/2/2016	Unknown	Mills was calling for Randy Nadeau (Maine Seed Co/DBA County Ag. & Turf) and asked that a copy of Ch. 24 and Ch. 10 be emailed to Nadeau. They want to review these to see the definitions of major and minor pesticide storage facilities. Currently this company is operating at 76 Parsons St. in Pl. It is not clear at this point if their call was in regards to this site or another site in the County.	Presque Isle
25	EC-188	Resolved-Finalized	Concerned Citizen	Complaint	License Issue	Other	11/29/2016	Other Non-powered Equipment	Caller said a business in Houlton has unlicensed grow facilities and is making unlicensed pesticide applications to the marijuana crop.	Houlton
26	EC-116	Resolved-Finalized	Licensed Applicator	Inquiry	Spill / Discharge	Right-of-Way	7/12/2016	Hydraulic	DOT while spraying today a hose came off the sprayer truck before the nozzle and lost about 3 gallons of solution it was on route 11 it all stayed on the road in a strip 3 inches wide there was some spots there was not any and some in others for a distance of .25 miles and dried up 2 to 3 minutes. The road was just wet and there was nothing to soak up before it dried, the mix was 1 quart of Garlon 4 Ultra per 50 gallons of water and 1/2 ounce of MSM 60 per 50 gallons there was between 1.9 to ounces of Garlon and .03 to ounces of MSM 60 in the 3 gallons.	Presque Isle
27	EC-123	Resolved-Finalized	Concerned Citizen	Complaint	Other	Right-of-Way	7/15/2016	Unknown	Caller reported that only the high bush blue berry plants on the CMP powerline that crosses the Rocky Dundee Road in Buxton were sprayed from the road to about 1/2 mile in on the line. . Caller concerned with well in this area too.	Buxton
28	EC-135	Pending Enforcement Review	Concerned Citizen	Complaint	Water Quality	Right-of-Way	7/29/2016	Unknown	Caller reported there is a bridge on the Durham Bridge Road in Newport and within the last week caller noticed the vegetation from the top of the road to the edge of the water was dead on both ends of the bridge. This area has rip rap to hold the embankment . Kids fish here and also concern for wildlife in area and the water. Wants someone to check if this is legal and safe for kids and environment. Caller has seen a "chemical truck" on this road in past years.	
29	EC-139	Resolved-Finalized	Licensed Applicator	Inquiry	Notification / Posting	Right-of-Way	8/1/2016	Unknown	Caller asked about notification requirements when spraying roadside ROWs for the towns of Norridgewock and Madison	Norridgewock

	A	B	C	D	E	F	G	H	I	J
30	EC-152	Resolved-Finalized	Concerned Citizen	Complaint	Water Quality	Right-of-Way	8/10/2016	Unknown	Entered into some type of land deal with CMP. When CMP's big line was recently put in, Bouchard's original line was relocated. CMP now leases some of their land for 99 years. About a week ago herbicide was sprayed on line. Her well is spring fed, duck pond nearby. Wants to know if this is legal.	Litchfield
31	EC-158	Resolved-Finalized	Concerned Citizen	Inquiry	Other	Right-of-Way	8/12/2016	Unknown	Caller signed a NS agreement about 30 yrs. ago with CMP. 2-3 weeks ago, crew was on the line spraying. Crew did not spray the line in her area when she came out. CMP when contacted said the original NS agreement was only good for 5 yrs. CMP sent her a new one which she will sign and send in. Asked if BPC had any NS signs or source for them.	Porter
32	EC-165	Resolved-Finalized	Concerned Citizen	Complaint	Buffers	Right-of-Way	8/18/2016	Hydraulic	On 8-18-16 caller reported that a spray crew treating the roadside ROW, sprayed too close to the spring that feeds his house.	Frenchville
33	EC-180	Resolved-Finalized	Concerned Citizen	Complaint	Non-Target Effects	Right-of-Way	10/5/2016	Non-powered Backpack	Caller said person was spraying in the roadside ROW across from his property today with Roundup and also on the property of a VA resident. Treated a drainage ditch and w/i 50-100 ft. of the ocean. Caller asked about regulations. Last year same applicator sprayed w/i 15 ft. of caller's well head and up gradient from it.	Northport
34	Case ID	Case Status	Caller Type	Event Type	Topic	Site	Date Of Incident	Application Method	Complaint Details	City
35	EC-107	Resolved-Finalized	Tenant	Complaint	Other	Structural	7/7/2016	Unknown	A tenant below him has had bedbugs about 5 times in last 6 years. Caller only found 1 bedbug in his unit in his bedroom after extensive cleaning, preparing etc. Does not think it is necessary to treat his apartment. Problem getting inform. about pesticides to be used.	S. Portland
36	EC-143	Resolved-Finalized	Licensed Applicator	Inquiry	Water Quality	Structural	8/2/2016	Unknown	Commercial applicator called on 8/1 to ask if the BPC regulations included any wellhead setbacks. There is a group of about 20 cottages maybe more, maybe less, that share a common well. He has some customers in this area and stays about 100 ft. away from the drilled well's wellhead.	Rangeley
37	EC-142	Resolved-Finalized	Government Employee	Complaint	License Issue	Structural	7/29/2016	Unknown	Email on 7/29: This establishment has a history of cockroaches and spraying on their own. They use a commercial PC company when the inspector informs them that they cannot spray on their own. Asked BPC to enforce the message with them.	S. Portland
38	EC-153	Consent Agreement Pending	Tenant	Complaint	License Issue	Structural	8/16/2016	Fogger	August 5th notice bedbugs in bedroom, put some in freezer bag and gave to Peter Alexander, employee of PLD Group, Inc. the mgmt. co. of the apt building (6 units). August 6th, Alexander set off 2 cans of bomb from Lowes in BR advised to wait 2hrs and ventilate room. August 11th, 3 or 4 pm, Alexander applied 1 bomb to same BR, gave Norma 2 bomb cans. 9:30 or 10 pm still bugs, Norma set 1 bomb off in same BR and seals rm. August 12 still b bugs, Norma set off another can in same BR about 11-noon, sealed room, room still sealed.	Augusta

	A	B	C	D	E	F	G	H	I	J
39	EC-155	Resolved-Finalized	Tenant	Complaint	Unauthorized Application	Structural	8/23/2016	Fogger	Farrell lives in an old farm house that has 5 total apts. Her cat had fleas, she took it to the vet who used revolution (like front line) to treat. She vacuums as well. Apt. # 1, also on second floor of house wing in her section also has fleas possibly from Farrell's cat. The landlord, Courtemanche want to bomb her unit, or give her the bombs to do it, and also wants to bomb unit 1. Farrell does not want the landlord to bomb or does not want to bomb herself. Thinks the fleas are gone and if not can control otherwise. Landlord is scheduled to apply bombs this Friday- Farrell thinks he will do this even w/o her consent.	Sabattus
40	EC-179	Enforcement Review Pending	Customer	Complaint	License Issue	Structural	4/10/2016	Other Powered Ground Equipment	Caller in Cumberland County reported that in the spring of this year she saw an add in the paper. for power washing roofs She called and was told it was an ecofriendly product. it was Zerotel 2.0 EPA reg. No. 70299-12. Called BPC and found he was unlic. and product was for greenhouse use and enclosed areas not outdoor use.	Portland area
41	EC-170	Resolved-Finalized	Licensed Applicator	Inquiry	Notification / Posting	Structural	9/14/2016	Hand Can	Commercial applicator called to ask where he has to post if he removes a ceiling panel from an elevator at the Key Plaza in downtown Bangor to spray for spiders in this space. He would use a B&G and spray an insecticide with a fan tip. There are 2 elevators.	Bangor
