Acquired Brain injury (fish only) – any person who has a brain injury as defined by Title 22, section 3086 and or is participating in a Rehabilitation program. (Please provide certification of program participation).

Developmentally Disabled (fish only) – need a statement signed by the person's physicians on the physician's letterhead that states that the applicant's functional limitations substantially limit that person's ability to fish independently. As defined by Title 5, section 19503, sub section 3.

DHHS Custody (fish only) – need certification that the applicant is 16 or 17 years of age and in the custody of DHHS under Title 19-A, Chapter 55 and Title 22, Chapter 1071.

Blind (Residents only) (fishing only) – need certified evidence that the applicant's visual acuity for distant vision is 20/200 if the widest diameter of field vision subtends an angle no greater than 20 degrees. **Proof of residency required.**

Paraplegic – need a physician's statement certifying that the applicant has lost, or has permanently lost the use of both lower extremities. This license is available to nonresidents from states that provide a reciprocal privilege to residents of Maine. (New Hampshire, Vermont, Connecticut and Massachusetts).

Hunter Safety* – Any person applying for a **Hunting license** must submit proof of successfully completing a hunter safety course, or evidence of having held an adult hunting license in any state in any year beginning with 1976. When proof of competency is not available, the applicant may sign an affidavit available through the town clerks or the Augusta Fish and Wildlife Department office.

Felony Statement – All applicants for licenses that include **hunting with a firearm** must complete the Felony Statement on this form by signing the statement.
