

## Great Blue Heron Foraging Sites

Name: \_\_\_\_\_ Email: \_\_\_\_\_ Phone #: \_\_\_\_\_

Please attach maps for each site: label with site name, mark the GPS point with an X, and draw a polygon around area where foraging occurs. Google Earth maps work well, but hand drawings or other maps are acceptable if they are to scale and contain recognizable landmarks.

Site Name	GPS Coordinates		Briefly describe habitat where foraging occurs
	Latitude	Longitude	

Data submission: Mail hard copy to Danielle D'Auria, MDIFW, 650 State Street, Bangor, ME 04474; or email electronic copy to: [danielle.dauria@maine.gov](mailto:danielle.dauria@maine.gov).

# Great Blue Heron Foraging Record

Name: \_\_\_\_\_ Email: \_\_\_\_\_ Phone #: \_\_\_\_\_

Site Name	Date	# of Herons	Time Foraging Began	Time Foraging Ended	Arrival Direction	Departure Direction	Prey Taken? (Y/N)	Prey Type	Comments

Data submission: Mail hard copy to Danielle D’Auria, MDIFW, 650 State Street, Bangor, ME 04474; or email electronic copy to: [danielle.dauria@maine.gov](mailto:danielle.dauria@maine.gov).

## Great Blue Heron Foraging Sites [EXAMPLE]

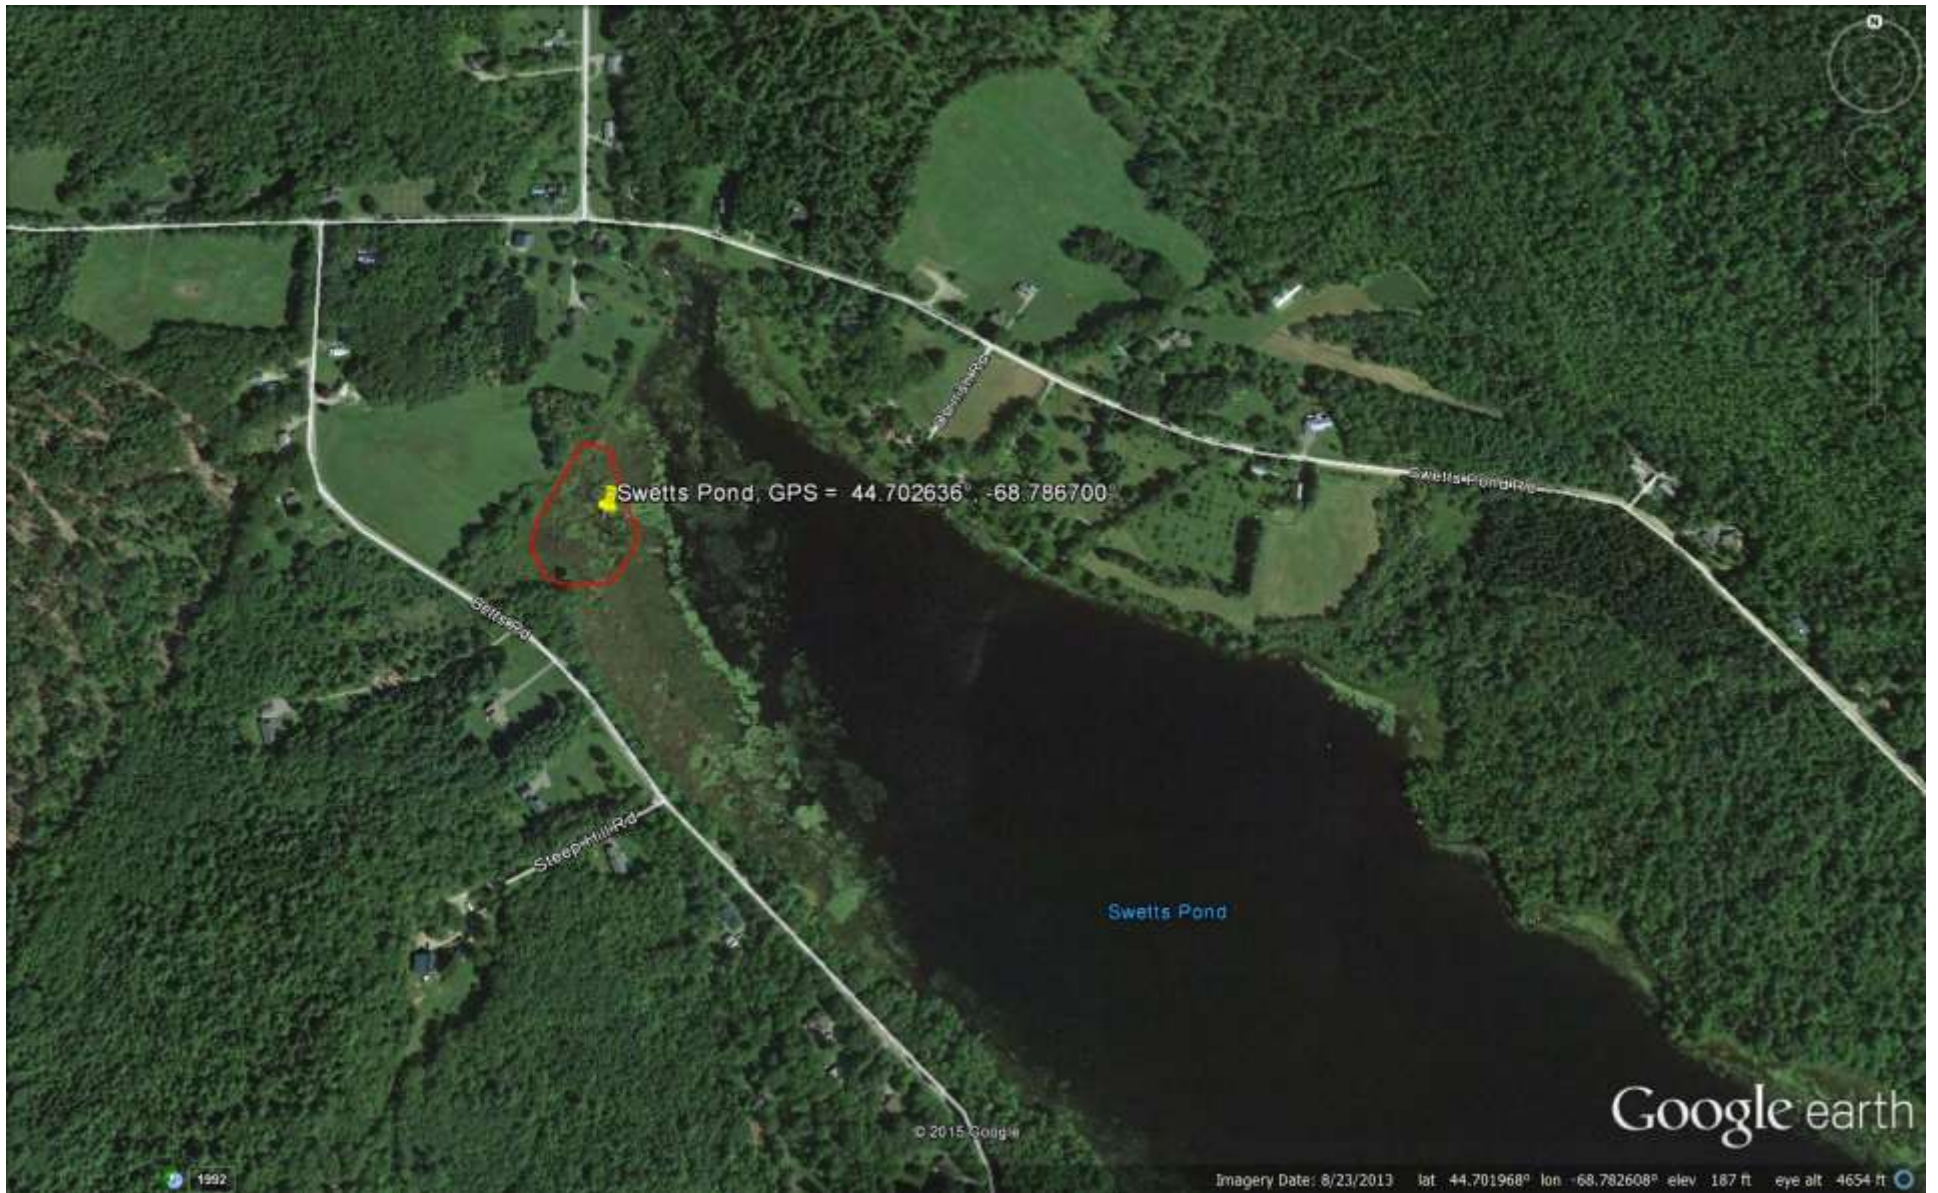

**Name:** Danielle D'Auria      **Email:** danielle.dauria@maine.gov      **Phone #:** 941-4478

Please attach maps for each site: label with site name, mark the GPS point with an X, and draw a polygon around area where foraging occurs. Google Earth maps work well, but hand drawings or other maps are acceptable if they are to scale and contain recognizable landmarks.

Site Name	GPS Coordinates		Briefly describe habitat where foraging occurs
	Latitude	Longitude	
Swetts Pond	44.702636°	-68.786700°	Shallow emergent area at northwest corner of pond; some floating mat with low shrubs .

Data submission: Mail hard copy to Danielle D'Auria, MDIFW, 650 State Street, Bangor, ME 04474; or email electronic copy to: [danielle.dauria@maine.gov](mailto:danielle.dauria@maine.gov).
