Due to the ongoing impacts of Monday's storm, the meeting of the Finance Committee of the Maine Recovery Council, scheduled for Thursday, December 21 at 1:00pm, is cancelled.

Because the public and Committee members may not have power or reliable internet service, and because state offices remain closed which adds technical problems to hosting the meeting, the decision has been made to cancel tomorrow's meeting. The Finance Committee will resume meetings in the new year.

The Council is established pursuant to court order and 5 M.R.S.A. s. 203-C.
