Motion:

That the priorities under the treatment pillar be as follows:

1. Invest in a continuum of care for substance use, providing services that are low-barrier and trauma informed, including community-based medically managed withdrawal, outpatient treatment, emergency and hospital-based treatment, residential treatment, treatment after incarceration, and mobile treatment services especially in communities that are underserved.
2. Provide flexible funding to organizations to assist individuals affected by substance use in accessing essential resources, such as treatment, transportation, and other necessities.
3. Invest in support programs that connect individuals to community resources, treatment, and recovery support services.

Motion:

That the priorities under the Recovery Support pillar be as follows:

1. Support or expand recovery community centers and programs, which may include support groups, social events, computer access, peer recovery coaching, re-entry support.
2. Support funding to compensate new or existing peer recovery coaches or peer support individuals at treatment centers, hospitals, recovery residences, community centers, etc.
3. Increase access to affordable housing for people with OUD, or co-occurring SUD and MH conditions, especially programs that house underserved populations, including families, women, LGBTQIA+, BIPOC, justice-involved, and unhoused people.
4. Expand employment training and educational services for individuals with lived or living experience, including but not limited to skills-based training, education, technical assistance, transportation, and resources to foster a supportive recovery-friendly environment.
