^{*}The County participated in a wage study and raised non-union wages to the average compensation for each position. 5.9% is the cost-of-living adjustment.

^{**}The Commissioners voted to give all Communications Union staff an additional, unbudgeted wage increase of \$5.00/hr to address persistent staffing challenges and improve employee retention.

^{***}Additional 5% wage adjustment for select few positions earning well below the average salary of peers in other comparable counties and municipalities.

The Budget Process

Budget Preparation (January)

The Finance Director creates the budget template for the coming fiscal year and distributes to the Department Heads. The template consists of actual revenues and expenditures for three prior fiscal years, budgeted and actual year-to-date amounts for the current fiscal year, and blank columns for the Department Head recommended budget for the next fiscal year.

Budget Advisory Committee Caucuses (February)

Caucuses are held at the Couthouse to fill any open seats on the Budget Advisory Committee (BAC). Each district has three representatives: two municipal officials and one public official who hold three-year terms.

Department Heads' Budgets (February)

Department Heads work with the County Administrator and Finance Director to develop their proposed budgets. Department Heads and Administration analyze past budgets, discuss future trends and needs, and consider long-term planning for each department.

Department Head Budget Presentation (early March)

Department Heads, the County Administrator, and the Finance Director present the Department Head Recommended Budget to the Commissioners and BAC. Each budget is discussed in detail. The Commissioners and BAC have opportunities to ask questions and make recommendations. This is a collaborative process among Department Heads, Administration, the Commissioners, and the BAC to further develop the budget for the next phase.

Commissioner Review (mid-March)

The Finance Director makes the changes identified in the budget presentation and distributes for Commissioner review. The Commissioners review at their monthly meeting then forward the approved proposed budget to the BAC.

Budget Advisory Committee Recommendations (April)

Department Heads and Administration meet with the BAC to discuss the proposed budget. The BAC drafts budget recommendations to be considered by the Commissioners.

Public Hearing (late-April)

Administration, the Commissioners, and the BAC meet for a public hearing to discuss public comments. The BAC then finalizes their budget recommendations.

Commissioners Review (mid-May)

The Commissioners review the BAC recommendations and make any necessary changes to the budget. This will create the final budget.

Budget Adoption (mid-May)

The Commissioners approve and adopt the budget for the coming fiscal year via signed resolution. The adopted budget is then posted to the Sagadahoc County website, filed with the State Auditor, and distributed to Department Heads and all municipalities within the county.

Budget Summary FY20-21 through Proposed FY24-25

Undesignated Fund Balance Estimate

Policy:

The level of the undesignated fund balance shall be maintained at approximately 15% of the total annual budget. State law provides unencumbered surplus funds in excess of 20% of the amount to be raised by taxation shall be used to reduce the tax levy.

Amber Jones, County Administrator

Department Overview

The Administration Department provides support services to all County departments. This includes human resources, accounting and payroll, and general management by the County Administrator.

Mission

The Sagadahoc County Administration Department strives to provide high-quality services, leadership, and fiduciary responsibility to our employees and tax payers, and be worthy of the highest degree of public confidence.

Staffing

We maintain a staff of five full-time employees (Administrator, Human Resources Director, Finance Director, Bookkeeper, and Administrative Assistant).

General Government Human Resources & Employee Benefits - 204

Jessica Grey, Human Resources Director

Department Overview

This budget accounts for county-wide employee benefits, with the exception of Transport and VOCA which statutorily must be accounted for within their individual budgets. The County offers self-funded health coverage (paid at 90% of employee and 80% family rates), short-term disability, group term life, and retirement contributions in accordance with the Maine Public Employee Retirement System or a match of 6% for deferred compensation plans.

Department Overview

The Information Technology Department is new in FY23. The aim is to centralize technology solutions and increase efficiency. This budget will continue to evolve and take on more line items.

Mission

To create a secure and responsive technology environment that supports the exceptional services provided by Sagadahoc County.

Staffing

One full-time IT Director and one part-time contractor.

The Sagadahoc County Probate Court processes Petitions for Adoption, Guardianship, Conservatorship, Name Changes, Probate of Wills and Appointment of Personal Representatives, with regular hearings held twice each month. The office operates Monday through Friday from 8:30am to 4:30pm, accepts cash and checks only and is in the process of converting historical archives dating from 1854 to electronic records for public access.

StaffingJudge of Probate (elected), Register of Probate (elected), Deputy Register of Probate (full time), two Probate Clerks (1 full time, 1 part time)

Purpose

Program grants are awarded to community organizations to support educational, economic, and environmental initiatives for local residents.

Funding

Program grant awards are funded by direct annual appropriation by inclusion in the annual budget approved by the County Commissioners.

Authorization to Use

The Administrator and County Commissioners authorize the use of all reserve account funds.

Administration Responsibilities

The Finance Director is responsible for monitoring the reserve accounts and reporting the balances on a monthly basis.

Amber Jones, County Administrator

Purpose

Reserve funds are established to finance specific unanticipated expenditures that cannot be realistically or adequately budgeted for. They are essentially savings accounts with designated uses. The County currently maintains reserve accounts to pay unemployment compensation, accrued employee leave, emergency contingency, insurance deductibles, and purchase fuel.

Funding

The reserve accounts are funded by direct annual appropriation by inclusion in the annual budget approved by the County Commissioners.

Authority to Use

The Administrator and County Commissioners authorize the use of all reserve account funds.

Administration Responsibilities

The Finance Director is responsible for monitoring the reserve accounts and reporting the balances on a monthly basis.

SAGADAHOC COUNTY CORRECTIONS

Transport

The Sagadahoc County Transportation Unit is responsible for the transportation of all inmates remanded to the custody of the Sheriff. The Unit is staffed by three (3) full-time Deputies. The unit is deployed as two (2) uniformed transport deputies and one (1) programs Deputy. Two Bridges Regional Jail assestment for operations is also included in this budget. This year's budget reflects the elimination of one (1) full-time Transport Deputy, to be replaced by a full-time contracted Mental Health Liaison position for all of Sagadahoc County law enforcement agencies.

Mission

Transport Deputies are responsible for the custody, control and security of prisoners while in court and during actual transportations. Deputies transport inmates to and from medical appointments, deathbed visits and funerals. Emergency transports to hospitals are conducted under the authority and supervision of a transport team. In addition to transport responsibilities, members of the unit conduct bail checks, home release monitoring, community service programs and are detailed to other duties as required.

Staffing

Two (2) full-time MCJA certified Transport Deputies. One (1) full-time MCJA certified Transport Programs Deputy. Supervised by Lieutenant (split 50/50 with Sheriff Budget)

SAGADAHOC COUNTY PUBLIC SAFETY

Sheriff's Office
Civil Division
Communications
Emergency Management Agency

The Sheriff's Office provides primary law enforcement services to the municipalities that do not have a police department. Deputies also support municipal agencies through mutial aid agreements and assistance. Deputies patrol the county roads, enforce traffic laws, investigate crime, conduct property checks, and participate in many community related events. The Sheriff's Office works collaboratively with all federal, state and local law enforcement agencies.

Mission

Protecting and serving the residents of Sagadahoc County since 1854, the Sagadahoc County Sheriff's Office seeks to serve all people within our jurisdiction with respect, fairness and excellence. We are committed to the prevention of crime, the protection of life and property, and the preservation of peace. We strive to earn public trust by holding ourselves to the highest standards of performance and ethics while remaining relentlessly determined to attain a high level of community confidence and satisfaction.

Staffing

The Sheriff's Office is currently made up of twenty (22) full-time law enforcement officers, three (3) part-time law enforcement officers and three (2.5 FTE) support staff personnel. The budget includes one (1) position to be funded by MDEA reimbursements for a full-time dedicated drug detective, the only one in Sagadahoc County. LT pay is split with Transport Budget 50/50.

Civil Process service is done on a per diem basis by two MCJA certified deputies, who are paid by the service fees. The Civil office is open Mon-Thur 8AM to 1PM and by appointment on Fridays and weekends. Recent year's totals have been down from years past. Last year saw a minor decrease of 0.5% 728 services in FY2023 This year is trending down by approximately 10% fewer services.

Mission

The Civil Process Division is responsible for the service of subpoenas and other court documents within Sagadahoc County. Other court documents include: divorce, family matters, law suits, civil disputes, landlord-tenant notices, etc. Civil documents are served on behalf of individuals, private attorneys, the Court, State of Maine departments and agencies.

Staffing

1 - Administrative clerk works P-T at 20 hrs per week. 2 - Per diem P-T Deputies (2-Full-time Transport Deputies currently fill these P-T positions)

Department Overview

Emergency management is the managerial function charged with creating the framework within which communities reduce vulnerability to hazards and cope with disasters.

Mission

Emergency Management protects communities by coordinating and integrating all activities necessary to build, sustain, and improve the capability to mitigate against, prepare for, respond to, and recover from threatened or actual natural disasters, acts of terrorism, or other man-made disasters.

Staffing

The EMA department has a team of two staff dedicated to the management of EMA responsibilities and the County Emergency Operations Center (Director/Programs Coordinator).

Total Capital Funding Requested

322,157

Project Title: Building Maintenance Reserve

Department: Facilities **Account Number:** 510-59401

Amount Requested: \$10,000

Project Request Information

Planned Project Year: Multiple Funding Source(s): Taxation

Estimated Total Cost: 40,000.00 Source of Estimate: Department Head Necessity: To Maintain Services Useful Life: 10-15 years

Anticipated Impact on Future Operating Budgets: Cost Unchanged

Description:

In the coming year I would like to use approximately 5k for carpet replacement projects and 5k for floor stripping and waxing. This would be a start on a multiyear plan to get the flooring in the entire building replaced or refurbished. Estimated funding of \$10,000 per floor of the Courthouse per year.

Justification:

There is carpeting in various areas of the building that is free from the floor and wrinkling. The floors have not been waxed in years.

Project Title: Vehicle Reserve

Department: Facilities **Account Number:** 510-59480

Amount Requested: \$2,000

Project Request Information

Planned Project Year: 2028 Funding Source(s):

Estimated Total Cost: 55,000 **Source of Estimate:** approx

Necessity: To Maintain Services Useful Life: 10

Anticipated Impact on Future Operating Budgets:

Description:

Reserve to fund future replacement of plow and sanding truck.

Justification:

The existing Facilities truck was purchased new in FY21 and should have a useful life of at least five years. This reserve is to fund its future replacement based on five years and \$55,000 estimated cost. Requesting only \$2,000 in FY25 to fund any critical failures of plow or sander.

Project Title: Transport Vehicle Reserve

Department: Sheriff's Office **Account Number:** 308-59408

Amount Requested: \$50,000

Project Request Information

Planned Project Year:2025Funding Source(s):Corrections ReserveEstimated Total Cost:\$50,000Source of Estimate:Vendor QuoteNecessity:Public SafetyUseful Life:7-years

Anticipated Impact on Future Operating Budgets: Cost Unchanged

Description:

The Sheriff's Office replaces vehicles for the Transport Division on an as needed basis. In order to maintain a fleet of dependable and suitable vehicles for the transportation of inmates to and from Two Bridges Regional Jail and other related functions. It is the policy of the agency to replace equipment when its total cost (depreciation, operating, maintenance, and repair costs) average over its usful life, is at a minimum. Transport vehicles typically have a useful life of approximately 100,000 miles and are replaced at that time. The agency is requesting funds for the purchase one (1) transport vehicle.

Justification:

This request is to replace one (1) 2014 Chrysler mini-vans. The current van has approximately 93,500 miles and is beginning to experience increased repair and maintenance costs. Our current vans are front-wheel drive, and should be replaced with AWD vehicles for better handling in inclement weather. The projected costs include detailing and installing emergency equipment. While this is a capital replacement expense, the funding will come from the Transport Surplus Reserve Fund.

Project Title: Mobile Data Computer Reserve

Department: Sheriff's Office **Account Number:** 601-59445

Amount Requested: \$10,000

Project Request Information

Planned Project Year: 2025 Funding Source(s): CIP

Estimated Total Cost: 50,000 **Source of Estimate:** Vendor Quote **Necessity:** Public Safety **Useful Life:** 4-5 years

Anticipated Impact on Future Operating Budgets: Cost Unchanged

Description:

The need for in-car mobile computers is critical in todays law enforcement environment. To meet this need the County must continue a laptop computer reserve for the future resplacement. This reserve provides funding to replace all 18 rugged mobile laptop computers, docking stations, and related installation equipment approximately every 5 years. It is recommended that \$10,000 be set aside annually as an ongoing capital expense. The Sheriff's Office will work with the IT Department to use these

Justification:

In the fall of 2022 the Sheriff's Officce purchased 16 rugged laptop computers, docking stations, and related installation equipment for each of the law enforcement patrol vehicles at a cost of \$36,793. These computers are semi-rugged Dell laptops. These laptops have a functional life expectency of 4-5 years. Capital funds have been set aside for the replacement of the laptops and ancillary equipment as needed.

Project Title: In-Car Camera System **Department:** Sheriff's Office **Account Number:** 601-59455

Amount Requested: \$31,730

Project Request Information

Planned Project Year: 2025 Funding Source(s): CIP

Estimated Total Cost: \$158,650 **Source of Estimate:** Vendor Quote **Necessity:** Public Safety **Useful Life:** 10 years

Anticipated Impact on Future Operating Budgets: Cost Unchanged

Description:

In-car camera systems are an important instrument in today's law encorcement environment. In FY2023 the Sheriff's Office began outfitting all patrol vehicles with the new WatchGuard M500 In-Car Video System and Command Central Evidence Management system. These cameras replaced our previous model of in-car video cameras. The cloud-based management system is new to us and is a much more efficient system for managing files. It saves money as there is no storage required. Under this program, the cost for sixteen (16) units is \$31,730 per year for five (5) years.

Justification:

The current units are now 10 years old and are beginning to break down and malfunction. Sending units off for repair is becoming expensive and time-consuming. Like all technology, the camera systems have a life expectancy and we are pushing up against that. Also, as with most other technology, the product is improved, better quality, and more efficient. Having a cloud-based evidence storage system will save on local storage and copying disk costs.

Project Title: Taser-7 Replacement Program

Department: Sheriff's Office **Account Number:** 601-59460

Amount Requested: \$13,680

Project Request Information

Planned Project Year: 2025 Funding Source(s): CIP

Estimated Total Cost: 127,750.11 **Source of Estimate:** Vendor Quote **Necessity:** Public Safety **Useful Life:** 10 years

Anticipated Impact on Future Operating Budgets: Cost Unchanged

Description:

In 2020 the Sheriff's Office purchased nineteen (19) new Taser-7 units from Axon Enterprise. The Taser-7 is the most advanced electronic control device (ECD) on the market today for law enforcement use. The project is a ten-year plan, which has a refresh agreement after five years; which means all the Taser-7s are replaced with the newest model of taser. The contract included the 19 tasers, holsters, training and live cartridges, as well as a full warranty. The contract also includes a 6-bay docking station with a Wi-Fi connection to Evidence.com, which is a cloud-based information and data collection system on the use and maintenance of units. The cost in the first two years of the contract was minimized by the trade-in value of our previous Taser-X units. Those costs were absorbed into the Sheriff's operation budget (401).

Justification:

The Sagadahoc Sheriff's Office recognizes that combative, non-compliant, armed, and/or violent subjects cause handling and control problems that require special training and equipment. Thus, the Sagadahoc Sheriff's Office has adopted the use of less-lethal force philosophy to assist with the de-escalation of these potentially violent confrontations. Consistent with this philosophy, the Sagadahoc Sheriff's Office is authorizing the use of department-owned, maintained, and issued taser electronic control devices to trained sworn personnel.

Project Title:Body Worn CameraDepartment:Sheriff's OfficeAccount Number:601-59465

Amount Requested: \$9,747

Project Request Information

Planned Project Year: 2025 Funding Source(s): CIP

Estimated Total Cost: \$68,990 Source of Estimate: Vendor Quote

Necessity: Public Safety Useful Life: 10 years

Anticipated Impact on Future Operating Budgets: Reduce Cost

Description:

Body worn cameras are a critical tool to enhance our relationship with the community, providing additional transparency and accounatility. In FY2023 the Sheriff's Office began outfitting all patrol deputies with new Motorola V700 and VideoManager EL Cloud system. These cameras will intergrate with our in-car video cameras. The cloud-based management system is an efficient file management system. It saves money as there is no storage required. Under this program, the cost for fifteen (15) units is \$68,990 spread over five (5) years. In August of 2023 we were awarded a Small, Rural, and Tribal (SRT) Law Enforcement Agency Grant through Bureau of Justice Assistance. The grant was a match amount of \$30,000. Thr grant period is 01/01/2023 to 12/31/2025. We anticipate drawing down the full amount within FY2025.

Justification:

BWC safeguard our reputation and maintain community trust. The V700 body camera captures critical incidents and allows clearer evidence in lowlight conditions. Also, as with most other technology, the product is improved, better quality, and more efficient. The V700 will intergrate with our new in-car cameras, and will automatically upload to a secure cloud-based evidence management system. Having a cloud-based evidence storage system will save on local storage and copying disk costs.

Project Title:Cruiser ReserveDepartment:Sheriff's OfficeAccount Number:601-59480Amount Requested:\$195,000

Project Request Information

Planned Project Year: 2025 Funding Source(s): CIP

Estimated Total Cost: \$195,000 **Source of Estimate:** Vendor Quote **Necessity:** Public Safety **Useful Life:** 5-years

Anticipated Impact on Future Operating Budgets: Increase Cost

Description:

The Sheriff's Office generally replaces 3 vehicles annually on a rotating basis to maintain the fleet. It is the policy of the agency to replace equipment when its total cost (depreciation, operating, maintenance, and repair) average over its useful life is at a minimum. Front-line cruisers typically have a useful life of approximately 120,000 to 140,000 miles and are replaced at that time. The agency is requesting funds for the replacement of three (3) front-line patrol vehicles with SUV-AWD units at a net estimated cost of \$195,000. This includes the cost of detailing and mounting of equipment such as lights, siren, radio and all other equipment.

Justification:

The previous two years have been very challenging in the procurement of police vehicles. Due to issues effecting auto manufacturers and inflation, the cost of vehicles have increased dramatically. Local dealerships are not able to provide a guaranteed delivery date and thus are not returning RFPs. Quirk Motors was the only bidder the last two years and they do not make any allowances for trade-in. Last year, we were only able to order two (2) vehicles to replace units from out of state. We currently have two (2) vehicles with over 110,000 miles.

SAGADAHOC COUNTY DEBT SERVICE

Debt Service

Debt Summary

The County currently has one long-term debt obligation for shared construction costs of Two Bridges Regional Jail. Construction was funded in 2005 via revenue bond. Sagadahoc County is obligated to pay half of the bond, which runs through 2026. Placeholders for the courthouse steeple restoration and communications system upgrade were included in the prior year's budget but will not be included this year. These projects are moving forward but will be funded via the American Rescue Plan grant.
