Enrollment and online account access

It's easier than ever to get started and on the path to becoming FutureFIT[®] with AIG Retirement Services.

We've simplified the process of entering contributions, fund selection, getting professional help, navigating the process and registering for online access. And we made the whole experience more personalized for you.

Here are a few things you need to get started:

- Your group's access number
- Your personal information including Social Security number
- Your beneficiary information

There are plenty of opportunities during enrollment to customize where to direct investments, get professional investment advice, set contact preferences and more. And it's easy to navigate back to previous pages to make changes.

Step 1: AIG Retirement Services Home Page

The screenshot shows the AIG Retirement Services Home Page. At the top, there is a navigation bar with the AIG logo, the text 'AIG Retirement Services', and links for 'ABOUT US', 'FINANCIAL EDUCATION', 'NEWS', and 'CONTACT US'. To the right of these links are a 'SIGN IN' button and a search icon. The main content area features a large blue banner with a photo of a smiling couple. On the left side of the banner, the text reads 'Plan for 100SM' and 'Think big. Plan bigger.' Below this text is a 'PLAY VIDEO' button. On the right side of the banner, there is a 'WELCOME' login form with fields for 'USERNAME' and 'PASSWORD', a 'SIGN IN' button, and links for 'SPONSORFIT[®] ACCESS' and 'FORGOT USERNAME OR PASSWORD'. At the bottom of the page, there are two options: 'Enroll and start saving in your employer's plan' with an 'ENROLL' button, and 'Already enrolled? Register to access your account online' with a 'REGISTER' button. An orange arrow points from the 'ENROLL' button to a numbered callout below.

- 1 The first step is the home page, aig.com/RetirementServices. Click 'ENROLL'.
