

– CREDITABLE COVERAGE DISCLOSURE NOTICE –

Important Notice from the State of Maine Creditable Prescription Drug Coverage and Medicare

The purpose of this notice is to advise you that the prescription drug coverage listed below under the *State of Maine* medical plan is expected to pay out, on average, at least as much as the standard Medicare prescription drug coverage will pay in 2021. This is known as “creditable coverage.”

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the *State of Maine* and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The *State of Maine* has determined that the prescription drug coverage offered by the State of Maine Retiree Health plans are, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

If you or your family members aren’t currently covered by Medicare and won’t become covered by Medicare in the next 12 months, this notice doesn’t apply to you.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

If you decide to join a Medicare drug plan, your current *State of Maine* coverage will be affected. If you decide to enroll in a Medicare prescription drug plan and you are an active employee or family member of an active employee, you may also continue your employer coverage. In this case, the employer plan will continue to pay primary or secondary as it had before you enrolled in a Medicare prescription drug plan. If you waive or drop *State of Maine* coverage, Medicare will be your only payer. You can re-enroll in the employer plan at annual enrollment or if you have a special enrollment event for the State of Maine plan.

You should know that if you waive or leave coverage with State of Maine and you go 63 days or longer without creditable prescription drug coverage (once your applicable Medicare enrollment period ends), your monthly Part D premium will go up at least 1% per month for every month that you did not have creditable coverage. For example, if you go 19 months without coverage, your Medicare prescription drug plan premium will always be at least 19% higher than what most other people pay. You'll have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to enroll in Part D.

You may receive this notice at other times in the future – such as before the next period you can enroll in Medicare prescription drug coverage, if this State of Maine coverage changes, or upon your request.

If you do decide to join a Medicare drug plan and drop your current *State of Maine* coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with the *State of Maine* and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For more information about your options under Medicare prescription drug coverage

More detailed information about Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. Medicare participants will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
