

2023 Personal Development/Work-Life Topics

ComPsych® workshops provide valuable learning for employees and increase visibility and utilization of the GuidanceResources® benefit. Topics are designed and written by our internal staff of psychologists and adult learning experts. These 45-60 minute programs are informative and engaging.

GuidanceResources® Program Orientation

Employee and supervisory orientations are an integral part of the ComPsych® program. Based upon customer needs, employee locations, population concentration, along with HR policies, ComPsych® will help facilitate a smooth schedule for program roll-out or to reintroduce the services. The purpose of these orientations is to introduce the services, stress the professional and confidential nature of the benefit, and relate the methods of accessing help.
