HEALTH INSURANCE

Health Insurance (continued)

How much does health insurance cost?

Health insurance premiums are calculated based on four factors:

1. Your base, annual wages
2. The number and relationship to you of the people you are covering
3. Your full-time or part-time employment status
4. Health Credit Premium Program participation

Current full-time employee premium rates can be found at www.maine.gov/bhr/oe. Part-time employees' premium rates are prorated based on scheduled hours. Contact Employee Health & Wellness at 1-800-422-4503 for pro-rated rates.

Health Credit Premium Program

The Health Credit Premium Program provides health plan members actively employed by the State of Maine the opportunity to receive up to a 5% individual premium discount each fiscal year. You must meet specific requirements by the annually stated deadline to be awarded the credit. The Health Credit earned does not roll from year-to-year, and program requirements are updated from year-to-year. The Program is voluntary, and participation is confidential. To get started, log on to WellStarME.org.

Expert Medical Opinions

This program is available to members of the State of Maine Health Plan. It provides access to world-class physicians at no cost to help you make educated decisions about your healthcare.

To get started just call Grand Rounds at 1-800-531-6756 or visit

www.grandrounds.com/stateofmaine.

Centers of Excellence Carrum Health Surgery Benefit

The State of Maine Health Plan includes coverage through Carrum Health at no cost to you.

Carrum Health allows you to see the nation's most experienced surgeons, avoid surprise medical bills and get a personal concierge to coordinate travel arrangements for certain surgeries at no cost to you!

FLEXIBLE SPENDING ACCOUNTS

Health Care and Day Care Tax-Free Accounts

Just the Facts

P&A Group administers the two types of Flexible Spending Accounts (FSA) for State of Maine employees. FSA's are a convenient way to set aside pre-tax dollars through payroll deduction. Those funds are then used to pay for eligible expenses. Enrollment is required for each calendar year you wish to participate.

Health Care FSA

Funds set aside may be used for out-of-pocket medical, dental and vision expenses for you, your legal spouse and dependent children. P & A will issue a debit MasterCard that allows access to your Health Care FSA funds. Just use the P&A debit MasterCard to pay for eligible health care purchases such as copays and prescriptions.

Day Care FSA

Day care expenses include before/after school care, day care, preschool, day camps and elder care. To be eligible, these expenses allow you (and your legal spouse if applicable) to work, look for work or be a full-time student.

VOLUNTARY RETIREMENT SAVINGS

MaineSaves 457(b) Plan

Just the Facts

Save and invest for your retirement by contributing pre-tax to the MaineSaves 457(b) Deferred Compensation Plan. You choose how much to set aside and where you'd like to invest your funds within the Plan. You do not pay taxes on your funds invested or the investment earnings until you take a distribution from the Plan (e.g. after retirement).

Investment Options

The MaineSaves 457(b) Plan offers three providers to choose from. AIG Retirement Services, MassMutual & Voya provide a variety of investment options. Your payroll contributions will be sent directly to the provider you've selected. Local representatives are available to assist you. Visit www.mainesaves457.com for more information.

Contribution Limits

The IRS sets the annual contribution limit. Participants age 50 and older and those within 3 years of normal retirement age may contribute an additional amount. Contact one of the local representatives with AIG Retirement Services, MassMutual or Voya for assistance. See page 15 of this guide for more information.

How to Enroll

Visit www.mainesaves457.com and select the "Enroll Now" link at the top of the page.

MONEY-SAVING TIPS!

How to spend your healthcare dollars wisely

- Receive care from health, dental & vision providers within the plan's network for lower copays and coinsurance
- Did you know many medical services are **covered 100%** (in network)? They include, but not limited to:
 - Tests performed at independent labs
 - Some services provided by independent imaging facilities
 - Preventive cancer screenings (e.g. mammograms, colonoscopies, etc.)
 - Vaccines
 - Routine physicals and eye exams
 - Explore surgical options provided by an ambulatory surgery center or Carrum Health
- Use Emergency Room alternatives (when appropriate). Visit a Maine-based walk-in clinic (\$25 copay), call Anthem's 24/7 NurseLise (no cost) or have a video visit with a network doctor or therapist with LiveHealth Online (no cost)
- Shop around for medical services using cost comparison tools such as www.CompareMaine.org
- Contact Grand Rounds for assistance with an expert medical opinion. This service is provided at **no cost to you**
- Ask your provider for a 90-day prescription for medications you take on a regular basis; this will save you money on your copays at the pharmacy
- Participate in the Health Credit Premium Program for lower premium cost
- Open a tax-free medical flexible spending account for known medical, dental & vision expenses
- Take advantage of wellness resources like the gym membership reimbursement program
- Take care of your mental health with the Living Resources Program provided at **no cost to you**
