

Only true emergencies belong in the ER

Walk-in centers are a smart choice for most care

According to the National Hospital Ambulatory Medical Care Survey about one-third of all emergency room (ER) visits are not true emergencies. That means you could wait longer for care. If it's not a true emergency you can get quality care at a lower cost -and often faster -at a walk-in center.²

What is a walk-in center?

They're doctor's offices or clinics that take patients without an appointment. They're usually open longer hours including evenings and weekends. That's why these centers are a smart choice when you need care quickly and can't get an appointment at your primary doctor's office or it's after regular business hours (usually 9 a.m. to 5 p.m.).

What kind of care can I get at a walk-in center? The doctors and nurses at these centers can help you with all kinds of things such as minor cuts and burns, sprains and strains, sports injuries, sore throats, earaches and the flu. Some centers do X-rays or run other tests on site and can let you know quickly if you need more specialized care.

How much does it cost to go to a walk-in center? ³ For most plans you'll pay a specialist copay. To find out your specific costs and what you're covered for, call the Customer Service number on your member ID card.

Do I need an appointment or a referral for a walk-in center? Nope.

Which walk-in center do I go to?

There are many walk-in centers in your Anthem health plan. Look on the back of this flier for a list of them. Find one close to you and put it in your phone for easy access when you need it. You also can find centers in your plan at anthem.com or through the Sydney mobile app. Just go to the Find a doctor section and follow the steps. Or, call the Customer Service phone number on your member ID card and we can help you out.

Still not sure if it's an emergency?

Let a nurse help you decide.

Here's the emergency rule of thumb: Call 911 or go to the nearest ER if you think delaying care could put your health at serious risk. If you're still not sure where to go for care, call 24/7 Nurseline at 1-800-607-3262. Registered nurses are available anytime day or night to help you decide.
