# MCCS Students

## **Our Students are Non-traditional.**

1. Average age of degree seeking student is 26.
2. 40% are adult learners age 25 or older.
3. Nearly 2/3 (62%) of our entering degree-seeking students are first-generation college students (meaning neither of their parents or guardians has earned a Bachelor's degree).

# MCCS Students

1. 56% of students report that they work 20 or more hours per week in addition to their studies.
2. Just under 1/3 (32%) of degree-seeking students have no (\$0) Expected Family Contribution (EFC), meaning they have the greatest financial need.

# MCCS Students

1. Over 70% receive some form of grant aid.
2. Nearly half (46%) of MCCS degree-seeking students receive enough grant aid to cover their tuition and fees.
