

Getting Your Flu Vaccine

A quick guide on where you can receive a flu vaccine this flu season.

OPTION 1:

Visit a
Pharmacy
Near You

Many major pharmacies offer flu and other vaccines.

Pharmacies to consider include:

Shaw's
Hannaford
Walgreens
Walmart
CVS

Contact your local pharmacy to learn more about their opportunities to receive a vaccine.

OPTION 2:

Visit Your
Primary Care
Provider

Flu vaccines can be administered at your Primary Care Provider's office.

If you already have an appointment scheduled, you can ask for a flu vaccine while you're there.

OR

Call your Primary Care Provider and schedule a time to receive your flu vaccine.

OPTION 3:

Visit a
Walk-In Center
Near You

Flu vaccines can be administered at a walk-in center.

No appointment required.
