Aetna Medicare is a PDP, HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal.

You must continue to pay your Medicare Part B premium.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Formulary, pharmacy network, and/or co-payments/co-insurance may change on January 1 of each year.

The formulary and/or pharmacy network may change at any time. You will receive notice when necessary. Members who get “extra help” are not required to fill prescriptions at preferred network pharmacies in order to get Low Income Subsidy (LIS) copays.

See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.

## Mail-order Pharmacy

For mail order, you can get prescription drugs shipped to your home through our preferred mail-order delivery program, which is called Aetna Rx Home Delivery. Typically, mail-order drugs arrive within 7 to 14 days. You can call **1-888-267-2637 (TTY: 711)**, 8 a.m. to 6 p.m. local time, Monday through Friday, if you do not receive your mail-order drugs within this timeframe. Members may have the option to sign up for automated mail-order delivery.

This information is available for free in other languages. Please call our customer service number at **1-888-267-2637 (TTY: 711)**, 8 a.m. to 6 p.m. local time, Monday through Friday.

Esta información está disponible en otros idiomas de manera gratuita. Comuníquese con Servicios al Cliente al **1-888-267-2637 (TTY: 711)**. Horario de atención: lunes a viernes de 8 a.m. a 6 p.m.

本資訊也有其他語言的免費版本可供選擇。請致電**1-888-267-2637 (聽障專線: 711)**於會員服務部聯絡，辦公時間為每週7天、當地時間上午8時至晚間8時。

**Note to existing members:** This formulary has changed since last year. Please review this document to make sure that it still contains the drugs you take.

When this drug list (formulary) refers to “we,” “us,” or “our,” it means Aetna Medicare. When it refers to “plan” or “our plan,” it means Aetna.

This document includes a list of the drugs (formulary) for our plan which is current as of 10/01/2016. For an updated formulary, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You must generally use network pharmacies to use your prescription drug benefit. Benefits, formulary, pharmacy network, and/or copayments/coinsurance may change on January 1, 2018, and from time to time during the year.

## **What is the Aetna Medicare Comprehensive Formulary?**

A formulary is a list of covered drugs selected by our plan in consultation with a team of health care providers, which represents the prescription therapies believed to be a necessary part of a quality treatment program. We will generally cover the drugs listed in our formulary as long as the drug is medically necessary, the prescription is filled at our network pharmacy, and other plan rules are followed. For more information on how to fill your prescriptions, please review your Evidence of Coverage.

### **Can the Formulary (drug list) change?**

Generally, if you are taking a drug on our 2017 formulary that was covered at the beginning of the year, we will not discontinue or reduce coverage of the drug during the 2017 coverage year except when a new, less expensive generic drug becomes available or when new adverse information about the safety or effectiveness of a drug is released. Other types of formulary changes, such as removing a drug from our formulary, will not affect members who are currently taking the drug. It will remain available at the same cost-sharing for those members taking it for the remainder of the coverage year. We feel it is important that you have continued access for the remainder of the coverage year to the formulary drugs that were available when you chose our plan, except for cases in which you can save additional money or we can ensure your safety.

If we remove drugs from our formulary, or add prior authorization, quantity limits and/or step therapy restrictions on a drug or move a drug to a higher cost-sharing tier, we must notify affected members of the change at least 60 days before the change becomes effective, or at the time the member requests a refill of the drug, at which time the member will receive a 60-day supply of the drug. If the Food and Drug Administration deems a drug on our formulary to be unsafe or the drug's manufacturer removes the drug from the market, we will immediately remove the drug from our formulary and provide notice to members who take the drug. The enclosed formulary is current as of 10/01/2016. To get updated information about the drugs covered by our plan, please contact us. Our contact information appears on the front and back cover pages.

In the event of any CMS-approved, mid-year non-maintenance formulary changes, the formularies will be updated monthly and posted on our website.

### **How do I use the Formulary?**

There are two ways to find your drug within the formulary:

#### **Medical Condition**

The formulary begins on page 10. The drugs in this formulary are grouped into categories depending on the type of medical conditions that they are used to treat. For example, drugs used to treat a heart condition are listed under the category, "Cardiovascular Agents". If you know what your drug is used for, look for the category name in the list that begins on page 10. Then look under the category name for your drug.

## Alphabetical Listing

If you are not sure what category to look under, you should look for your drug in the Index that begins on page 78. The Index provides an alphabetical list of all of the drugs included in this document. Both brand name drugs and generic drugs are listed in the Index. Look in the Index and find your drug. Next to your drug, you will see the page number where you can find coverage information. Turn to the page listed in the Index and find the name of your drug in the first column of the list.

## What are generic drugs?

Our plan covers both brand name drugs and generic drugs. A generic drug is approved by the FDA as having the same active ingredient as the brand name drug. Generally, generic drugs cost less than brand name drugs.

## Are there any restrictions on my coverage?

Some covered drugs may have additional requirements or limits on coverage. These requirements and limits may include:

- **Prior Authorization:** Our plan requires you or your physician to get prior authorization for certain drugs. This means that you will need to get approval from us before you fill your prescriptions. If you don't get approval, we may not cover the drug.
- **Quantity Limits:** For certain drugs, our plan limits the amount of the drug that we will cover. For example, our plan provides 30 tablets per 30 days per prescription for *candesartan*. This may be in addition to a standard one-month or three-month supply.

- **Step Therapy:** In some cases, our plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.

You can find out if your drug has any additional requirements or limits by looking in the formulary that begins on page 10. You can also get more information about the restrictions applied to specific covered drugs by visiting our Web site. We have posted online documents that explain our prior authorization and step therapy restrictions. You may also ask us to send you a copy. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

You can ask us to make an exception to these restrictions or limits or for a list of other, similar drugs that may treat your health condition. See the section, "How do I request an exception to the Aetna Medicare formulary?" on page 6 for information about how to request an exception.

## What if my drug is not on the Formulary?

If your drug is not included in this formulary (list of covered drugs), you should first contact Member Services and ask if your drug is covered.

If you learn that our plan does not cover your drug, you have two options:

- You can ask Member Services for a list of similar drugs that are covered by our plan. When you receive the list, show it to your doctor and ask him or her to prescribe a similar drug that is covered by our plan.
- You can ask us to make an exception and cover your drug. See below for information about how to request an exception.

## How do I request an exception to the Aetna Medicare Formulary?

You can ask us to make an exception to our coverage rules. There are several types of exceptions that you can ask us to make.

- You can ask us to cover a drug even if it is not on our formulary. If approved, this drug will be covered at a pre-determined cost-sharing level, and you would not be able to ask us to provide the drug at a lower cost-sharing level.
- You can ask us to cover a formulary drug at a lower cost-sharing level if this drug is not on the specialty tier. If approved this would lower the amount you must pay for your drug.
- You can ask us to waive coverage restrictions or limits on your drug. For example, for certain drugs, our plan limits the amount of the drug that we will cover. If your drug has a quantity limit, you can ask us to waive the limit and cover a greater amount.

Generally, we will only approve your request for an exception if the alternative drugs included on the plan's formulary, the lower cost-sharing drug or additional utilization restrictions would not be as effective in treating your condition and/or would cause you to have adverse medical effects.

You should contact us to ask us for an initial coverage decision for a formulary, tiering or utilization restriction exception. **When you request a formulary, tiering or utilization restriction exception you should submit a statement from your prescriber or physician supporting your request.** Generally, we must make our decision within 72 hours of getting your prescriber's supporting statement. You can request an expedited (fast) exception if you or your doctor believe that your health could be seriously harmed by waiting up to 72 hours for a decision. If your request to expedite is granted, we must give you a decision no later than 24 hours after we get a supporting statement from your doctor or other prescriber.

## What do I do before I can talk to my doctor about changing my drugs or requesting an exception?

As a new or continuing member in our plan you may be taking drugs that are not on our formulary. Or, you may be taking a drug that is on our formulary but your ability to get it is limited. For example, you may need a prior authorization from us before you can fill your prescription. You should talk to your doctor to decide if you should switch to an appropriate drug that we cover or request a formulary exception so that we will cover the drug you take. While you talk to your doctor to determine the right course of action for you, we may cover your drug in certain cases during the first 90 days you are a member of our plan.

For each of your drugs that is not on our formulary or if your ability to get your drugs is limited, we will cover a temporary 30-day supply (unless you have a prescription written for fewer days) when you go to a network pharmacy. After your first 30-day supply, we will not pay for these drugs, even if you have been a member of the plan less than 90 days.

If you are a resident of a long-term care facility, we will allow you to refill your prescription until we have provided you with at least 91 and up to a 98-day transition supply, consistent with dispensing increments, (unless you have a prescription written for fewer days). We will cover more than one refill of these drugs for the first 90 days you are a member of our plan. If you need a drug that is not on our formulary or if your ability to get your drugs is limited, but you are past the first 90 days of membership in our plan, we will cover a 31-day emergency supply of that drug (unless you have a prescription for fewer days) while you pursue a formulary exception.

If you experience a change in your setting of care (such as being discharged or admitted to a long term care facility), your physician or pharmacy can request a one-time prescription override. This one-time override will provide you with temporary coverage (up to a 30-day supply) for the applicable drug(s).

## **For more information**

For more detailed information about our plan prescription drug coverage, please review your Evidence of Coverage and other plan materials.

If you have questions about our plan, please contact us. Our contact information, along with the date we last updated the formulary, appears on the front and back cover pages.

If you have general questions about Medicare prescription drug coverage, please call Medicare at **1-800-MEDICARE (1-800-633-4227)** 24 hours a day/7 days a week.

TTY users should call **1-877-486-2048**. Or, visit **<http://www.medicare.gov>**.

# Aetna Medicare Formulary

The comprehensive formulary that begins on page 10 provides coverage information about the drugs covered by our plan. If you have trouble finding your drug in the list, turn to the Index that begins on page 78.

The first column of the chart lists the drug name. Brand-name drugs are capitalized (e.g., LEVEMIR) and generic drugs are listed in lowercase italics (e.g., candesartan).

The information in the Requirements/Limits column tells you if our plan has any special requirements for coverage of your drug. The following abbreviations are used:

<b>QL</b>	Quantity Limits
<b>PA</b>	Prior Authorization
<b>ST</b>	Step Therapy
<b>LA</b>	Limited Access
<b>MO</b>	Mail-order Delivery
<b>B/D</b>	Part B vs. D Prior Authorization

**QL:** Quantity Limits. For certain drugs, our plan limits the amount of the drug that we will cover. For example, our plan provides 30 tablets per 30 days per prescription for *candesartan*.

**PA:** Prior Authorization. Our plan requires you or your provider to get prior authorization for certain drugs. This means that you will need to get approval from us before you fill your prescriptions. If you don't get approval, we may not cover the drug.

**ST:** Step Therapy. In some cases, our plan requires you to first try certain drugs to treat your medical condition, before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition, we may not cover Drug B unless you try Drug A first. If Drug A does not work for you, we will then cover Drug B.

**LA:** Limited Access. These prescriptions may be available only at certain pharmacies. For more Information, consult your Pharmacy Directory or call Aetna Member Services at **1-888-267-2637 (TTY: 711)**, 8 a.m. to 6 p.m. local time, Monday through Friday.

**MO:** Mail Order. For certain kinds of drugs, you can use Aetna Rx Home Delivery services.

Generally, the drugs available through mail order are drugs that you take on a regular basis, for a chronic or long-term medical condition. The drugs available through our plan's mail-order service are marked as "mail-order" drugs in our Drug List or MO. For more information, consult your Pharmacy Directory or call Aetna Member Services at **1-888-267-2637 (TTY: 711)**, 8 a.m. to 6 p.m. local time, Monday through Friday.

**B/D:** Part B versus Part D. This prescription drug has a Part B versus Part D administrative prior authorization requirement. This drug may be covered under Medicare Part B or D depending upon the circumstances. Information may need to be submitted describing the use and setting of the drug to make the determination.

# Drug tier copay levels

This 2017 comprehensive formulary is a listing of brand-name and generic drugs. Aetna Medicare's 2017 formulary covers most drugs identified by Medicare as Part D drugs, and your copay may differ depending upon the tier at which the drug resides.

The copay tiers for covered prescription medications are listed below. Copay amounts and coinsurance percentages for each tier vary by Aetna Medicare plan. Consult your plan's Summary of Benefits or Evidence of Coverage for your applicable copays and coinsurance amounts.

<b>Copay tier</b>	<b>Type of drug</b>
<b>Tier 1</b>	Generic drugs
<b>Tier 2</b>	Preferred Brand drugs
<b>Tier 3</b>	Non-Preferred Brand drugs

## You may have drug coverage in the Coverage Gap Stage

There are four "drug payment stages" of a Medicare Prescription Drug Plan. How much you pay for a Part D drug depends on which drug payment stage you are in. Your plan may include supplemental coverage for some drugs during the Coverage Gap stage of the plan. Look in the 2017 Prescription Drug Benefits Chart (Schedule of Copayments/Coinsurance) that was included in your EOC packet. The Prescription Drug Benefits Chart will tell you if your plan provides coverage in the gap, and how much you will pay for covered drugs. If you need assistance finding this information, call the number on the back of your ID card.

## Enhanced Drug Benefit List\*

**Your plan includes an “Enhanced Drug Benefit”.** The enhanced drugs covered on your plan are listed on the following pages by Enhanced Drug Benefit Category. For more information, call the toll free telephone number on the back of your Aetna identification card or our member service center at **1-888-267-2637**. Representatives are available to assist you 8 a.m. to 6 p.m., local time, Monday through Friday. For TTY assistance please dial **711**.

### Key\*\*

Drug name	Drug tier	Requirements/Limits
UPPERCASE = Brand-name prescription drugs	1, 2 = Copay tier level	QL = Quantity Limit PA = Prior Authorization
<i>Lowercase italics</i> = Generic medications		

Drug name	Drug Tier	Requirements/Limits
-----------	-----------	---------------------

### Erectile Dysfunction

CAVERJECT	2	QL (6 EA per 30 days)
CAVERJECT IMPULSE	2	QL (6 EA per 30 days)
CIALIS	2	QL (6 EA per 30 days)
EDEX	2	QL (6 EA per 30 days)
LEVITRA	2	QL (6 EA per 30 days)

<i>papaverine/phentolamine mes/alprostadil</i>	1	QL (5 ML per 30 days)
<i>papaverine-phentolamine mes/alprostadil</i>	1	QL (5 ML per 30 days)
<i>phentolamine mesylate-alprostadil</i>	1	QL (5 ML per 30 days)
STAXYN	2	QL (6 EA per 30 days)
STENDRA	2	QL (6 EA per 30 days)
VIAGRA	2	QL (6 EA per 30 days)

### Fertility

BRAVELLE	2	
CETROTIDE	2	
<i>clomiphene citrate</i>	1	
ENDOMETRIN	2	
FOLLISTIM AQ	2	
<i>ganirelix acetate</i>	1	

\*These prescription drugs are not normally covered in a Medicare Prescription Drug Plan. Check your Schedule of Copayments/Coinsurance to find out if you have coverage for these drugs. The amount you pay when you fill a prescription for these drugs does not count towards your total drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage). In addition, if you are receiving extra help to pay for your prescriptions, you will not get any extra help to pay for these drugs.

\*\*You can find information on what the symbols and abbreviations on this table mean by going to page 8.

MAXFE	2	
MEPHYTON	2	
METAFOLBIC	2	

\*These prescription drugs are not normally covered in a Medicare Prescription Drug Plan. Check your Schedule of Copayments/Coinsurance to find out if you have coverage for these drugs. The amount you pay when you fill a prescription for these drugs does not count towards your total drug costs (that is, the amount you pay does not help you qualify for catastrophic coverage). In addition, if you are receiving extra help to pay for your prescriptions, you will not get any extra help to pay for these drugs.

\*\*You can find information on what the symbols and abbreviations on this table mean by going to page 8.

Aetna complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. Aetna does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex. Aetna:

- Provides free aids and services to people with disabilities to communicate effectively with us, such as:
  - Qualified sign language interpreters
  - Written information in other formats (large print, audio, accessible electronic formats, other formats)
- Provides free language services to people whose primary language is not English, such as:
  - Qualified interpreters
  - Information written in other languages

If you need these services, contact the Aetna Medicare Customer Service Department at the phone number on your member identification card.

If you believe that Aetna has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance with: Aetna Medicare Grievance Department, P.O. Box 14067, Lexington, KY 40512. You can also file a grievance by phone by calling the phone number on your member identification card (TTY: 711). If you need help filing a grievance, the Aetna Medicare Customer Service Department is available to help you. You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/portal/lobby.jsf>, or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue SW., Room 509F, HHH Building, Washington, DC 20201, 1-800-368-1019, 800-537-7697 (TDD). Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>. You can also contact the Aetna Civil Rights Coordinator by phone at 1-855-348-1369, by email at [MedicareCRCoordinator@aetna.com](mailto:MedicareCRCoordinator@aetna.com), or by writing to Aetna Medicare Grievance Department, ATTN: Civil Rights Coordinator, P.O. Box 14067, Lexington, KY 40512.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of subsidiary companies, including Aetna Life Insurance Company, Coventry Health Care plans and their affiliates (Aetna).
