	<ul style="list-style-type: none"> • <u>Recap of FY18</u>: Still being provided for reference. • <u>Dental (7/19-10/19)</u>: Stabilization fund has paid down over \$280K. 	
<p>a.ii. State of Maine Health Plan (medical update) Anthem Blue Cross & Blue Shield - Lisa Lagios</p>	<p>Information contained in written report; highlights and discussion noted below:</p> <ul style="list-style-type: none"> • <u>Executive Summary (11/18-10/19)</u>: Rolling medical claims over \$165M, total PMPM \$519K. Retiree population \$33M out of the \$165M. Total paid claims for current month over \$16M. Bump in October due to high cost claimants and membership. • <u>Administrative Fees and Claims (5/19-10/19)</u>: Display of weekly and monthly invoices broken into categories. \$407K in admin fees for Oct. MAGARA fees. Kurt Caswell stated he has had multiple discussions with the Attorney General's office to gain clarification on the fee. • <u>High Cost Claimants (over \$50k)</u>: Paid over \$72M to 640 members, 158 are retiree members that account for over \$19M. 22 children under the age of 1 at over \$2.5M. This number reflects newborn claims, not multiple births and is increasing. • <u>Paid Claims Distribution</u>: 3,158 members have not filed a medical claim in the past 12 months. 49.2% of members have claims less than \$1K. Less than 1% of members have claims over \$100K. Very consistent with benchmark. • <u>Top Ten Facilities</u>: Consistent based on population. • <u>Emergency Room (rolling 12 months)</u>: Over \$10M in E/R charges or 6.3% of total medical paid amount. 50% of total visits are potentially avoidable, costing over \$3.4M. Members could utilize 24/7 NurseLine, walk in centers or LiveHealth online. 818 members have registered on LiveHealth On-line. 388 last month. 182 members called the nurse line, increasing from 6 last month. Communication efforts to members regarding LiveHealth On-line a news pop up on WellStar and a direct link. • <u>Top 20 ER Providers by paid amount (rolling 12 months)</u>: Breakdown per facility. Maine General Medical Center had the highest number of ER visits at 1313 and the largest amount in paid claims over \$2M. • <u>Targeted Health Conditions</u>: Consistent. Decrease in cancer 925, 917. All others have increased.

- Cancer Summary (rolling 12 months): Breakdown of type of cancer, number of members and claims amount. 134 members with breast cancer. Togus VAMC is new to the list.
- Engagement Summary: Total members 26,509, with 407 members engaged. Engaged members work with nurse case managers. Members receive a phone call, then a follow up of 5 letters asking members to participate.
- Chronic and Complex Conditions: New name, used to be lifestyle conditions. Claims attributed to specific chronic and complex conditions make up for over 24% of total dollars spent. Osteoarthritis except low back represents the primary lifestyle related condition by paid amount and is 4% of total paid claims amount. Hypertension represents the highest chronic and complex related condition per 1000 over 19% above the benchmark. Weight, diet, tobacco use, exercise, obesity and preventative screenings are key factors. Hypertension represents the highest condition per 1000.
- Preventive Screenings: Above benchmark for most screenings. Cervical and colon cancer under.

**a.iii. Medicare Advantage Plan
Aetna – Sabrina DeGuzman-
Simmons**

Information contained in written report; highlights and discussion noted below:

- Call Summary (3/19-11/19): Trending consistent. Members use of AetnaNavigator.com is increasing. November call-ins decreased.
- Executive Summary – Medical (rolling 12 months): Membership has increased by 3.3%. Medical pharmacy cost has increased by 3.8%. Members on the Medicare Advantage plan are steadily increasing. Females outnumber males.
- High Cost Claimants Over \$100k: Consistent.
- Top 10 Diseases by Paid Amount: Hypertension and Hyperlipidemia still the top two. Consistent month to month.
- Utilization Detail by Medical Cost Category: Total number of claims 288,511. Total admits 1,939. Total paid amount over \$80M. Out patient #1, specialist office visit #2 & ambulatory #3. Consistent month to month.
- Top 10 Provider Services Profile by Paid Amount (9/18-8/19): Consistent. Fresenius Medical Center in Wilton ME is new to list.
