PERSONNEL MEMORANDUM 17-80

TO: All Departmental Personnel Officers
SUBJECT: Layoff Listing

The attached layoff list is the first edition of the list mentioned in the memo of July 29, 1980. An updated list will be mailed as names are deleted or added (approximately every two weeks). You should ensure that appropriate staff receive a copy to comply with collective bargaining contracts.

Individuals on this list may be unemployed, employed elsewhere, or employed by a State agency and may still have recall rights to a specific position, classification, unit or division.

Should you have questions concerning any individual listed, please call his/her former agency or Barbara Lord of this department (289-3761). If you wish clarification concerning specific contractual obligations, please contact Lanning Mosher at 289-3941.

If you have suggestions on improving this process or know of individuals who should be on this list, please notify this office.
