PERSONNEL MEMORANDUM 29-80

TO: All Department/Agency Heads
SUBJECT: Personnel Law

The Department of Personnel has prepared an extract of that portion of Maine statutes known as the Personnel Law (5 MRSA, Chapters 51-67). This document incorporates amendments through the close of the 109th Legislature. Due to budget restrictions only a limited number of copies has been prepared.

As a service to those who frequently refer to Personnel Law, we are sending one copy of this document to each agency. We suggest that it be passed to the person in the agency who is responsible for personnel matters.

Also attached is a recent addendum to Chapter 59, Sec. 711, Sub-sec. 2.B. It should be inserted following Page 22.
