PERSONNEL MEMORANDUM 6-80

TO: All Agencies/Departments, Personnel Officers
SUBJECT: Abolishment of Superfluous Unclassified Titles

This agency has recently developed a categorical listing of all class titles in the unclassified service. During this project, classes were identified which presently have no positions allocated to them. If there is no longer a need for these classes in State government, we will take action to clear them from the records.

Please review the attached list and inform this agency by April 1 of any which should not be abolished. If we receive no such notification by April 1, we will proceed to remove these titles from our active records.
