CONSENT AGREEMENT
FOR SURRENDER

Complaint 2017-116

INTRODUCTION

Pursuant to Title 32, Chapter 31, the Maine State Legislature endowed the Board with the power and duty to regulate the practice of nurses licensed by the Board, including issuing licenses and investigating complaints. Pursuant to 10 M.R.S. § 8008, the Legislature provided that the sole purpose of the Board is to “protect the public health and welfare” and that “other goals or objectives may not supersede this purpose.”

This document is a Consent Agreement (“Agreement”) regarding Jennifer J. Blaisdell’s license as a licensed practical nurse (“LPN”) in the State of Maine. The parties to this Agreement are Jennifer J. Blaisdell (“Ms. Blaisdell”), the Maine State Board of Nursing (“the Board”), and the Office of the Attorney General, State of Maine. The parties enter into this Agreement pursuant to 32 M.R.S. § 2105-A(1-A)(C) and 10 M.R.S. § 8003(5)(B) and (5)(D) in order to resolve Complaint 2017-116.

FACTS

1. Ms. Blaisdell was first licensed to practice as an LPN in Maine on November 15, 2005.

2. In January 2017, Ms. Blaisdell was employed as a nurse at Dover Center for Health and Rehabilitation (“Dover Rehab”) in Dover, New Hampshire. She was practicing in New Hampshire on her Maine LPN license through the Nurse Licensure Compact.

3. On January 19, 2017 at 6:00 a.m., Dover Rehab staff photocopied pages 206 and 207 of the narcotics book, which contained entries for patients M.H. and J.G. (“6:00 a.m. photocopies”). At 7:22 a.m. Ms. Blaisdell arrived at Dover Rehab for her shift. At or about 11:00 a.m. Dover Rehab staff again photocopied pages 206 and 207 of the narcotics book containing entries for patients M.H. and J.G. (“11:00 a.m. photocopies”). The 11:00 a.m. photocopies contained entries purportedly made by her January 18, 2017 shift that did not appear on the 6:00 a.m. photocopies. The entries were for the administration of Oxycodone 5 mg on a PRN, or as needed, basis. The nurse who purportedly made the entries had clocked out of Dover Rehab at 11:45 p.m. on January 18, 2017 and had not returned. The 11:00 a.m. photocopy of page 207 included an entry documenting that Ms. Blaisdell administered one 5 mg Oxycodone tablet to J.G. at 2:00 p.m. Ms. Blaisdell left the facility at 11:23 a.m., and this tablet could not be accounted for during the medication count.

4. On February 8, 2017, the New Hampshire Board of Nursing issued an Order of Emergency Suspension of Privilege to Practice, suspending Ms. Blaisdell’s privilege to practice based on an investigation into her employment at Dover Rehab. Board staff docketed this information as Complaint 2017 116.

5. On February 16, 2017, the New Hampshire Board of Nursing held a hearing to consider the continued suspension of Ms. Blaisdell’s privilege to practice. At the hearing, Ms. Blaisdell admitted that on January 19, 2017, while working at Dover Rehab, she pre-poured one Oxycodone 5 mg tablet, placed it in the locked medication cart, and signed it out as given in the narcotics book for 2:00 p.m. On January 19, 2017, Ms. Blaisdell left Dover Rehab at 11:23 a.m. After considering the evidence, the New Hampshire Board of Nursing reinstated Ms. Blaisdell’s privilege to practice nursing in New Hampshire but imposed a period of probation not to exceed three months based on her admittance misconduct.

6. On or about May 17, 2017, Ms. Blaisdell agreed to extend her probation in New Hampshire.
7. On June 16, 2017, Ms. Blaisdell executed an Interim Consent Agreement, in which she agreed to the suspension of her Maine LPN license until her criminal proceedings in New Hampshire were resolved.

9. Following review at its January 10, 2019 and February 22, 2019 meetings, the Board voted to offer Ms. Blaisdell a consent agreement.

10. Absent Ms. Blaisdell’s acceptance of this Agreement by signing, dating, and returning it to the Maine State Board of Nursing, 158 State House Station, Augusta, Maine 04333-0158 on or before March 5, 2019, the Board may take further action. In the absence of an agreement, the Board could impose, subsequent to adjudicatory proceedings, greater adverse action in this matter.
