Dear Ms. Dean:

Per our phone conversation today, this will confirm the Board's action October 4, 2000 to execute an emergency suspension of your registered professional nurse license pending an adjudicatory hearing November 3, 2000.

As we also discussed, you may voluntarily surrender your license at this time for an indefinite period. At such time as you are interested in reinstatement, you will be required to meet with the Board. Please send the license to my attention if this is your decision.

Please do not hesitate to contact me if you have any questions.

Recovery is hard work. Best wishes as you make that journey.

Sincerely,

Myra A. Broadway, J.D., M.S., R.N.
