The Parties reached this Consent Agreement based upon the below-stated facts.

1. Linda R. Kimball has been a registered professional nurse licensed to practice in Maine since January 25, 1982.

2. The Board considered the following information and documentation: 1) Provider Reports submitted to the Board from Maine Medical Center dated March 30, 2006; March 31, 2006; August 16, 2006 and November 2, 2006; 2) Maine Medical Center’s correspondence dated November 29, 2007 with an enclosure consisting of Ms. Kimball’s performance plan detail dated March 24th and 25th of 2006; 3) Ms. Kimball’s response dated July 25, 2007; and 4) documentation dated January 21, 2008, provided by Ms. Kimball at the Board’s request. All of the above-described information is attached, incorporated herein and marked as Exhibit A.

3. Linda R. Kimball was suspended from Maine Medical Center (“MMC”) pending an investigation on March 30, 2006 because MMC was concerned about Ms. Kimball’s nursing practice as it related to patient safety, medication administration and documentation. Both the findings of the investigation, outlined in MMC’s Provider Report dated August 16, 2006, and the documentation of the investigation are contained in Exhibit A. Ms. Kimball returned to MMC on July 17, 2006 and was again suspended from MMC pending an investigation on November 2, 2006 as a result of further concerns about Ms. Kimball’s nursing practice. Ms. Kimball resigned from MMC in November, 2006.

She admitted herself to the Recovery Center at Mercy Westbrook Hospital and attended the outpatient Daily Intensive Program beginning April 6, 2006. She completed the program April 22, 2006 and attended aftercare treatment, in which she continues. She has been sober since April 4, 2006. The treatment provider report and other information which detail Ms. Kimball’s recovery are contained in Exhibit A.

5. Linda R. Kimball admits that her nursing practice at MMC was affected during her period of insobriety.

6. The Board acknowledges that Ms. Kimball has made substantial progress in her treatment and recovery.

7. Linda R. Kimball wishes to resolve this matter by accepting this Consent Agreement and thereby waiving her rights to an adjudicatory hearing.

Kimball agrees and understands that this document imposes discipline regarding her license to practice registered professional nursing and her conduct constitutes grounds for discipline under 32 M.R.S.A. § 2105-A(2)(B), (2)(F) and (2)(H) and Chapter, 4(1)(A)(2), 4(1)(A)(6), 4(1)(A)(8) and Chapter 4(3)(K), 4(3)(N) and 4(3)(O) of the Rules and Regulations of the Maine State Board of Nursing.

9. Linda R. Kimball’s license as a registered professional nurse in the State of Maine is placed on a probationary status with conditions. The period of probation will commence on Ms. Kimball’s return to nursing practice, either through employment and/or pursuant to a clinical nursing educational program. The period of probation will be for a period of three years to be effective only while she is employed in nursing practice and/or enrolled in a nursing education program. For purposes of this Agreement, nursing employment is any employment during which Ms. Kimball performs nursing services. Ms. Kimball’s probationary license will be subject to the following conditions:

If during the period of probation, Ms. Kimball’s employment as a nurse terminates or should her educational program in the field of nursing terminate, she shall notify the Board of this change to ensure that she remains in compliance with her employment and/or educational quarterly reports.

g. Linda R. Kimball agrees and understands that the Board and the Office of Attorney General shall have access to any and all medical records and all otherwise confidential or medically privileged information pertaining to her treatment for substance abuse which the Board deems necessary to evaluate Ms. Kimball’s compliance with the Consent Agreement and her continued recovery. 10. Linda R. Kimball agrees and understands that her license will remain on probationary status and subject to the terms of this Agreement beyond the three-year probationary period until and unless the Board, at Ms. Kimball’s written request, votes to terminate Ms. Kimball’s probation. When considering whether to terminate the probation, the Board will consider the extent to which Ms. Kimball has complied with the provisions of this Agreement.

11. If Ms. Kimball fails to meet any of the obligations of this Consent Agreement, the Board will give written notice to the Licensee regarding her failure to comply. Notice will be sent by certified mail, return receipt requested, to the last known

The Board will review the Licensee’s timely response to determine what action, if any, the Board determines to take. If the Licensee fails to timely respond to the Board’s notification regarding her failure to comply, her license will be immediately suspended pending a hearing at the next regularly scheduled Board meeting. If after a hearing, the Board finds that the Licensee has failed to meet the obligations of this Consent Agreement, the Board may take any disciplinary action which it deems appropriate and impose any of the sanctions including, but not limited to, that found in Title 10 M.R.S.A. § 8003 and Title 32 M.R.S.A. § 2105-A.

The State of Maine is Ms. Kimball’s “home state” of licensure and primary state of residence, which means that Ms. Kimball has declared that the State of Maine is her fixed permanent and principle home for legal purposes; her domicile. Other party states that are in the Compact are referred to as “remote states,” which means party states other than the home state that have adopted the Compact. Ms. Kimball understands that this document is a Consent Agreement that is subject to the Compact. Ms. Kimball agrees that during the pendency of this Consent Agreement her nursing practice may be limited to the State of Maine as it pertains to the Compact. If Ms. Kimball wishes to practice in any other party state within the Compact, she shall arrange to have the party state in which she intends to practice provide the Board with written authorization that she has been approved to practice in that state.
