CONSENT AGREEMENT FOR WARNING

Complaint 2010-523

INTRODUCTION

This document is a Consent Agreement ("Agreement") regarding Evelyn E. Lamprey's license as a registered professional nurse ("RN") in the State of Maine. The Parties to this Agreement are Evelyn E. Lamprey ("Licensee" or "Ms. Lamprey"), the Maine State Board of Nursing (the "Board" or "ME Board") and the Office of the Attorney General, State of Maine. The Parties met in an informal conference on October 24, 2012 and enter into this Agreement pursuant to 32 M.R.S. §2105-A (1-A), and 10 M.R.S. §8003 (5)(B) in order to resolve Complaint 2010-523.

FACTS

1. Licensing History. Evelyn E. Lamprey has been an RN licensed to practice in Maine since September 11, 2001. On November 4, 2009, Ms. Lamprey entered into a Consent Agreement for Warning and License Probation with the ME Board regarding unsafe medication administration practice and failure to follow policies and procedures for documentation. Probationary conditions were for five (5) years and her Maine RN license was placed on single state status as it relates to the Nurse Licensure Compact.

2. On June 1, 2011, Ms. Lamprey renewed her Maine RN license on-line and failed to disclose, as required on her Maine renewal application, that: 1) she had a pending complaint against her RN license before the Florida State Board of Nursing ("FL Board"), Case No. 2010-21534; 2) she was disciplined by the Vermont State Board of Nursing ("VT Board") in Docket No. 2009-116 with license probation on October 20, 2009; and 3) she was later disciplined by the VT Board in Docket No. 2010-53 with a formal reprimand on September 16, 2010 for unprofessional conduct and non-compliance with the conditions of her license probation imposed by the VT Board in Docket No. 2009-116.

3. On August 25, 2011, the FL Board issued a Final Order in Case No. 2010-21534, in which Ms. Lamprey was reprimanded and placed on conditional probation for a period of one (1) year. In addition, she was ordered to pay $501.58 in investigative costs to be paid within one (1) year from the date of entry of the Final Order. However:

- If the Respondent is in the Intervention Project for Nurses (IPN), the payment is due prior to completion of IPN.
- If the Respondent is placed on probation, the payment is due prior to the completion of the probationary period.

4. Evelyn E. Lamprey admits that she failed to notify the Board of the action pending against her RN license in Florida and the disciplinary actions in Vermont on her June 1, 2011 Maine RN renewal application.

5. Evelyn E. Lamprey has agreed to resolve this matter by entering into this Agreement and waives her rights to a hearing.
AGREEMENT

6. Evelyn E. Lamprey acknowledges that the Board has evidence from which it could conclude there is a violation of Title 32 M.R.S. §2105-A (2)(A) and §2105-A (2)(F) and Chapter 4.1.A.1. and 4.1.A.6. of the Rules and Regulations of the Maine State Board of Nursing ("Board Rules"). Evelyn E. Lamprey acknowledges that her conduct in the above-stated facts constitutes grounds for discipline. Ms. Lamprey is hereby formally WARNED for these violations. Specifically, the violations are:

   a. Pursuant to 32 M.R.S. §2105-A (2)(A), Ms. Lamprey engaged in the practice of fraud or deceit in obtaining a license under this chapter or in connection with service rendered within the scope of the license issued by her failure to disclose action pending against her RN license in Florida and the disciplinary actions taken in Vermont on her June 1, 2011 Maine RN renewal application.    b. Pursuant to 32 M.R.S. §2105-A (2)(F), Ms. Lamprey engaged in unprofessional conduct by violating a standard of professional behavior that has been established in the practice of nursing. See also: Board Rule Chapter 4, §1.A.6.

7. The State of Maine is a "Party state" that has adopted the Nurse Licensure Compact ("Compact"), which is set out in Chapter 11 of the Board Rules. The State of Maine is Ms. Lamprey’s “Home state” of licensure and primary state of residence, which means that she has declared the State of Maine as her fixed permanent and principle home for legal purposes; her domicile. Other Party states in the Compact are referred to as “Remote states,” which means Party states other than the Home state that have adopted the Compact. Ms. Lamprey understands this Agreement is subject to the Compact.

8. Evelyn E. Lamprey understands that she does not have to execute this Agreement and has the right to consult with an attorney before entering into the Agreement.

9. Modification of this Agreement must be in writing and signed by all parties.

10. This Agreement is not subject to review or appeal by Ms. Lamprey.

11. This Agreement is a public record within the meaning of 1 M.R.S. §402 and will be available for inspection and copying by the public pursuant to 1 M.R.S. §408.

12. This Agreement constitutes a final adverse licensing action that is reportable to the National Practitioner Data Bank (NPDB) and the Healthcare Integrity and Protection Data Bank (HIPDB) pursuant to Section 1128E of the Social Security Act and 45 C.F.R. Part 61.
