IN RE: SABRINA A. LORING, R.N., A.N.P.  )  CONSENT AGREEMENT FOR LICENSE PROBATION WITH CONDITIONS
of South Portland, Maine
License No. R029171

INTRODUCTION

This document is a Consent Agreement regarding Sabrina A. Loring’s license to practice registered professional nursing and advanced nursing practice in the State of Maine. The parties enter into this Agreement pursuant to 32 M.R.S.A. § 2105-A (1-A) (B) and 10 M.R.S.A. § 8003(5A) (B). The parties to this Consent Agreement are Sabrina A. Loring (“Licensee” or “Ms. Loring”), Maine State Board of Nursing (“Board”) and the Office of the Attorney General, State of Maine. An informal conference was held on September 27, 2007. The parties reached this Consent Agreement on the basis of Ms. Loring’s voluntary report to the Board of her chemical addiction on or about May 16, 2007.

FACTS

1. Sabrina A. Loring was originally licensed by the Board as a registered professional nurse to practice in Maine on January 6, 1986.

2. Sabrina A. Loring was originally approved by the Board to practice as an adult nurse practitioner on August 8, 2004.

3. Sabrina A. Loring self reported to the Board that she has a substance abuse problem and is currently in treatment for opiate addiction.

4. Sabrina A. Loring’s license as a registered professional nurse and her approval to practice as an advanced nurse practitioner were placed on inactive status through a non-disciplinary Consent Agreement dated August 21, 2007, after Ms. Loring had self-reported her chemical addiction to the Board. Of her own accord, Ms. Loring voluntarily ceased practicing on May 14, 2007.

5. Sabrina A. Loring was under a physician’s care for depression, anxiety and migraines, for which medication was prescribed by her physician. Starting approximately 3 years ago, Ms. Loring periodically began to self medicate herself for anxiety and migraines with pain medication borrowed from friends. This continued until the spring of 2007, when she recognized that she had become addicted to pain medication. She entered the Mercy Hospital Recovery Center (“Mercy”) on May 20, 2007. A report from Mark Publicker, MD FASAM treatment provider at Mercy dated September 18, 2007, indicated that she has faithfully followed all of Mercy’s treatment recommendations; she attends a
weekly recovery group at Mercy; she is receiving treatment from a therapist; and, she remains active in 12-step recovery, working the program with a sponsor. It was also pointed out in the report that her drug screens have been negative for all drugs of abuse in this recovery period. Her treatment provider also believes that Ms. Loring’s prognosis for a strong and stable recovery is excellent, and strongly endorses her return to nursing practice.

AGREEMENT WITH CONDITIONS OF PROBATION

6. Sabrina A. Loring agrees and understands that based upon the above-stated facts this document imposes discipline on her registered professional nursing license. The grounds for discipline are under 32 M.R.S.A. § 2105- A(2)(B).

In the event any member of the
Board or its Executive Director receives such information, the information will be immediately forwarded to Ms. Loring for a response. Ms. Loring agrees and understands that in such event, her license shall remain suspended pending a hearing. The Board shall hold a hearing within sixty (60) days of the automatic suspension unless both the Licensee and the Board agree to hold the hearing later, or the Executive Director and/or the Department of the Attorney General earlier determine that such information is without merit. If the information received is proven to be inaccurate or incorrect, either through hearing or determination by the Executive Director and/or the Department of the Attorney General, Ms. Loring’s license will be immediately reinstated retroactive to the date of suspension.

12. Sabrina A. Loring agrees and understands that her license will remain on probationary status and subject to the terms of this Agreement beyond the 5-five year probationary period, until and unless the Board, at Ms. Loring’s written request, votes to terminate Ms. Loring’s probation. When considering whether to terminate the probation, the Board will consider the extent to which Ms. Loring has complied with the provisions of this Agreement.

13. Ms. Loring understands that this document is a Consent Agreement that affects her rights to practice nursing in the State of Maine and party states in the Nurse Licensure Compact. Ms. Loring understands that she does not have to execute this Consent Agreement and that she has the right to consult with an attorney before entering into the Consent Agreement.

14. If Ms. Loring fails to meet any of the obligations of this Consent Agreement, the Board will give written notice to the Licensee regarding her failure to comply.
