Maine State Board of Nursing

295 WATER STREET
AUGUSTA, MAINE 04330

In Re: Doris MacCabe, R.N.

ADMINISTRATIVE CONSENT AGREEMENT

On Wednesday, May 11, 1983, the Maine State Board of Nursing (hereinafter "the Board") met with Doris MacCabe, R.N., at its offices located at 295 Water Street, Augusta, Maine. Ms. MacCabe acknowledged that she had diverted drugs from the Eastern Maine Medical Center during March and April, 1983. Ms. MacCabe further admitted that she took the drugs for self use and that she had taken the drugs in order to be caught and referred for psychiatric help.

Because of Ms. MacCabe's admissions regarding the diversion and use of scheduled drugs, and her willingness to seek treatment for her drug problem; the Board wishes to resolve this matter without filing an action in Administrative Court. Therefore, Ms. MacCabe and the Board hereby agree to the terms of the following consent agreement:

- (1) The Board agrees to allow Doris MacCabe to practice nursing in this state under a probationary status for a period of one (1) year effective May 11, 1983;
- (2) Ms. MacCabe agrees to provide the Board with a copy of the evaluation by Dr. Richard Sagall;
- (3) Ms. MacCabe agrees to provide the Board with a copy of the initial report by Carol Veits;

- (4) During this one (1) year probationary period, Ms. MacCabe agrees to continue her out-patient treatment program for her drug related problems;
- (5) During this one (1) year probationary period, Ms. MacCabe agrees to submit a written report from her drug counselor to the Board every three (3) months concerning her progress towards rehabilitation;
- (6) Ms. MacCabe agrees to meet with the executive director and a member of the Board on four (4) occasions during this one (1) year probationary period. These meetings shall take place at the Board offices located at 295 Water Street, Augusta, Maine, at a time convenient for all parties.

It is understood that if for any reason Ms. MacCabe fails to conduct herself in a professional manner while practicing as a registered nurse during this one (1) year probationary period or otherwise fails to fulfill any of her obligations under this agreement, the Board will be released from all its obligations under this agreement and will be free to take whatever action it deems appropriate.
