The parties enter into this Consent Agreement pursuant to 32 M.R.S.A. § 2105-A (1-A) (B) and 10 M.R.S.A. § 8003 (5) (B). The Board met with Ms. Waugh on June 5, 2008 regarding her request for reinstatement of her nursing license. The parties to this Consent Agreement are Dianne L. Waugh (“Ms. Waugh” or “Licensee”), Maine State Board of Nursing (“Board”) and the Office of the Attorney General, State of Maine.

AGREEMENT AND CONDITIONS OF PROBATION

5. Dianne L. Waugh’s license as a licensed practical nurse in the State of Maine is reinstated on a probationary status with conditions. The term of probation will be for a period of three (3) years, to be effective only while she is employed in nursing practice or enrolled in a clinical nursing education program. For purposes of this Agreement, nursing employment is any employment during which Ms. Waugh performs nursing services. Ms. Waugh’s probationary license will be subject to the following conditions:

a. Dianne L. Waugh is required to complete a refresher course in practical nursing and provide the Board with documentation of its successful completion before she seeks employment in nursing. Another option, subject to the approval of the Executive Director of the Board, is if Ms. Waugh finds nursing employment as a licensed practical nurse at a facility that will provide her with a refresher/orientation course while working as a licensed practical nurse.

b. Dianne L. Waugh will immediately notify the Board in writing should she return to employment and/or an educational program in the field of nursing. Notice under this section shall include the place and position of employment or the educational program and any subsequent changes in employment or educational programs.

c. Dianne L. Waugh will notify any and all of her nursing employers and faculty involved in any clinical studies of the terms of this Consent Agreement and shall provide them with a copy of it.

d. Dianne L. Waugh will arrange for and ensure the submission to the Board of quarterly reports from her nursing employer and/or clinical faculty regarding her general nursing practice. If during the period of probation Ms. Waugh’s employment as a nurse terminates or should her educational program in the field of nursing terminates, she shall notify the Board of this change to ensure that she remains in compliance with her employment and/or educational quarterly reports.

6. Dianne L. Waugh’s employment is restricted during the period of probation to structured settings with on-site supervision by a registered professional nurse. Structured settings shall not include assignments from temporary employment agencies, school nursing, work as a traveling nurse or within the correctional system.

7. Dianne L. Waugh agrees and understands that her license will remain on probationary status and subject to the terms of this Agreement beyond the three-year probationary period until and unless the Board, at Ms. Waugh’s written request, votes to terminate Ms. Waugh’s probation. When considering whether to terminate the probation, the Board will consider the extent to which Ms. Waugh has complied with the provisions of this Agreement.

8. The State of Maine is a “party state” that has adopted the Nurse Licensure Compact (“Compact”), which is set out in Chapter 11 of the Rules and Regulations of the Maine State Board of Nursing. The State of Maine is Ms. Waugh’s “home state” of licensure and primary state of residence, which means that Ms. Waugh has declared the State of Maine as her fixed permanent and principle home for legal purposes; her domicile. Other party states that are in the Compact are referred to as “remote states,” which means party states other than the home state that have adopted the Compact. Ms. Waugh understands that this document
is a Consent Agreement that is subject to the Compact. Ms. Waugh agrees that
during the pendency of this Consent Agreement her nursing practice may be
limited to the State of Maine as it pertains to the Compact. If Ms. Waugh wishes
to practice in any other party state within the Compact, she shall arrange to have
the party state in which she intends to practice provide the Board with written
authorization that she has been approved to practice in that state.

9. If the Board finds that Ms. Waugh has failed to meet the obligations of this
Consent Agreement, the Board may take any disciplinary action which it deems
appropriate and impose any of the sanctions including, but not limited to, that
found in Title 10 M.R.S.A. § 8003 and Title 32 M.R.S.A. § 2105-A.

10. This Consent Agreement is a public record within the meaning of 1 M.R.S.A. §
402 and will be available for inspection and copying by the public pursuant to 1
M.R.S.A. § 408.

11. Dianne L. Waugh understands that she does not have to execute this Consent
Agreement and has the right to consult with an attorney before entering into the
Consent Agreement.

12. Dianne L. Waugh affirms that she executes this Consent Agreement of her own
free will.

13. Modification of this Consent Agreement must in writing and signed by all the
parties.
