Ms. Webber was convicted of Class E Theft by Unauthorized Taking in May 2008 for shoplifting several items from a grocery store in March 2008. (State Exhibits #4 and #7.) Ms. Webber was convicted of Class E Theft by Unauthorized Taking in January 2009 for shoplifting several items from a grocery store in August 2008. (State Exhibit #6.) III. GOVERNING STATUTES AND RULES

1. The requirements for licensure as a registered professional nurse are found at 32 M.R.S. § 2201 et seq.

2. The Board may refuse to issue a license if an applicant has been convicted of a crime for which less than one year of incarceration may be imposed and which involves dishonesty or false statement or relates directly to the practice for which the licensee is seeking a license. 32 M.R.S. § 2015-A (2) (G); 5 M.R.S. § 5301(2). The Board may also consider a conviction for which no incarceration may be imposed, but which relates directly to the practice for which the licensee is seeking a license. 32 M.R.S. § 2105-A (2) (G); 5 M.R.S. § 5301(2).

3. Such convictions may be considered by the Board for up to ten years from the point of final discharge from a corrections system, although this limit does not apply if the applicant’s conduct that gave rise to the conviction would otherwise have been grounds for a disciplinary action. 5 M.R.S. § 5303(2) (A).

4. If an applicant has a conviction that falls within 5 M.R.S. § 5301(2), a Board may deny her a license only if the Board determines that she has not been sufficiently rehabilitated to warrant the public trust. 5 M.R.S. § 5302(1). The applicant has the burden to prove that she has been sufficiently rehabilitated. 5 M.R.S. § 5302(1).
IV. CONCLUSIONS OF LAW

The Board, considering the above facts and those alluded to in the record but not referred to herein, by a vote of 5-0, found that Rebecca Webber met the requirements for licensure as a registered professional nurse and granted her application. The Board found that although Ms. Webber had been convicted of crimes that involved dishonesty or false statement or that related directly to the license she was seeking, she had proven that she was sufficiently rehabilitated to warrant the public trust.

So Ordered.
