PART B

Sec. B-1. Calculation and transfer. Notwithstanding any other provision of law, the State Budget Officer shall calculate the amount of savings in Part A from a decrease in charges made by the Department of Administrative and Financial Services, Office of Information Technology for its services that applies against each account for departments and agencies statewide. The savings result from various initiatives authorized in Public Law 2011, chapter 380 that reduced personnel costs. The State Budget Officer shall transfer the savings by financial order upon approval of the Governor. These transfers are considered adjustments to appropriations and allocations in fiscal years 2011-12 and 2012-13.

Sec. B-2. Calculation and transfer. Notwithstanding any other provision of law, the State Budget Officer shall calculate the amount of savings in Part A from a decrease in charges made by the Department of Administrative and Financial Services, Office of Information Technology for its services that applies against each account for departments and agencies statewide. The savings result from not renewing the Microsoft Enterprise agreement, changing the method in which departments and agencies are charged for the use of the financial and personnel data warehouses and the elimination of positions as authorized in Public Law 2011, chapter 380, Part QQQ. The State Budget Officer shall transfer the savings by financial order upon approval of the Governor. The State Budget Officer shall provide the Joint Standing Committee on Appropriations and Financial Affairs a report of the transferred amounts not later than January 15, 2013.

As a result of a spending trend analysis for state agency client special education services, a saving in the 2011-12 state agency client budget is expected because expenditures will be less than originally anticipated.

PART D

Sec. D-1. 20-A MRSA §15689, sub-§7, as amended by PL 2007, c. 240, Pt. D, §§4, 5 is repealed.

PART E

Sec. E-1. 20-A MRSA §13013-A, sub-§1, as revised by PL 2007, c. 58, §3 is amended to read:

The salary supplement must be added to the teacher's base salary and must be considered in the calculation for contributions to the Maine Public Employees Retirement System.
