

CRF Financial Orders Listing by Sector

Date run: 3/16/2021

SECTOR	USE OF FUNDS	Description	Financial Order	Date Signed
Business Community	Child Care Provider Subsidy	Provides funding to child care providers to adjust their facilities for health and safety precautions. These adjustments are necessary in order for child care providers to open in alignment with the planned public-school opening date of September 9, 2020.	CV0075 F1	7/30/2020
	E-Commerce Infrastructure Transition	Provides funding to support agricultural producers in transitioning from in-person transactions to online sales and order fulfillment through grants for e-commerce infrastructure.	CV0134 F1	11/10/2020
	Economic Recovery Grant Program	Provides grants for businesses and non-profit organizations that demonstrate a need for financial relief based on lost revenues or increased expenses related to the disruption of business operations caused by the COVID-19 pandemic. The grants are being administered for the State by third parties and committed funds include some administrative costs. The grants aim to help stabilize Maine's economy in the near-term while accelerating the transition from short-term relief to long-term sustainability under the State's 10-year strategic economic development plan. Of the total amount committed, \$5.2 million is for revenue losses realized by key healthcare providers (hospitals, nursing facilities, assisted living facilities, behavioral health providers, and intellectual and developmental disability providers).	CV0091 F1	9/10/2020
			CV0151 F1	12/3/2020
			CV0152 F1	12/3/2020
	Fish Donation Program	Provides funding to mitigate the impact of COVID-19 on Maine's seafood industry by augmenting an established non-profit program that procures seafood directly from fishermen, works with partners to process the fish, and donates it to the Good Shepherd Food Bank.	CV0144 F1	11/19/2020
	Infrastructure Reimbursement Program for Farms, Agricultural Businesses & Processing Facilities	Provides funding to Maine farms, agricultural businesses, and processing facilities in recovering emergency costs associated with COVID-19 market disruptions, and reimburse them for expenses incurred as they assured a continuous flow of available food by addressing supply chain disruptions and mitigating health and environmental impacts as a result of the pandemic.	CV0153 F1	12/3/2020
			CV0185 F1	12/31/2020
	Support for the Safe Reopening of the Maine Economy	Provides funding for the DECD and the Maine Technology Institute (MTI) to collaborate on an expanding Maine innovation economy effort to further support the safe re-opening of the Maine economy, Pledge to Protect Maine. Provides funding for the Economic Recovery Committee (ERC), launched by Governor Mills on May 6, 2020 by Executive Order, to request urgent recommendations on how to stabilize and support challenges across the Maine economy in response to the COVID-19 pandemic and, in the longer term, to get Maine back onto a path toward economic growth.	CV0071 F1	7/30/2020
			CV0086 F1	8/26/2020
Unemployment Trust Fund	Replenish the State's Unemployment Insurance Trust Fund for the COVID-19 related unemployment benefit payments being made from it. Using CRF to replenish the Trust Fund will help avoid significant increases in employers' future unemployment taxes. It will also keep the Fund solvent and available to continue making benefit payments without the State needing to borrow from the federal government in order to do so.	CV0030 F0	6/22/2020	
		CV0108 F1	9/29/2020	
Citizen Support	Food Security Network Reimbursement Program	Provides funding to support Maine food security organizations for costs incurred as they have addressed supply chain disruptions, food storage and distribution infrastructure limitations, and public health and safety challenges in response to the pandemic.	CV0166 F1	12/9/2020
	Maine Quality Centers	Provides funding to the Maine Community College System (MCCS) to develop programs that support workers in their transitions to ongoing employment. MCCS will also develop a critical thinking and worker readiness program to support individuals that are looking for employment due to COVID-19.	CV0180 F1	12/18/2020
	Meals on Wheels Program	Provides funding to the Area Agencies on Aging that operate the Meals on Wheels program, enabling them to continue to provide deliveries to an increased number of Maine citizens in need.	CV0161 F1	12/3/2020
	One-Time Extended Benefit for Dislocated Workers	Provides funding for a one-time extended benefit to Maine citizens facing long-term unemployment due to the pandemic (federal assistance programs for this group were expiring at the time of this commitment).	CV0177 F1	12/18/2020
	Rental Assistance	Provides \$26,200,000 in rental assistance, via MaineHousing, to eligible tenants facing potential housing disruption due to COVID-19.	CV0082 F1	8/13/2020
			CV0100 F1	9/22/2020
			CV0154 F1	12/3/2020
			CV0173 F1	12/18/2020
	State Funded SNAP Benefits	Provides funding for increased State Funded SNAP Benefits issued in response to COVID-19 to assist Maine citizens with meeting their basic needs. For the months of April 2020 through June 2021, SNAP benefits are being issued at their maximum levels, in order to maximize assistance for food during the pandemic, while allowing any income, if earned, to be used for other expenditures, such as housing, transportation, and other needs.	CV0187 F1	1/6/2020
			CV0200 F1	2/25/2021
Vaccine Related Services and Supports	Provides funding to ensure equitable vaccine access for hard to reach citizens. The services that will be funded in this category include: transportation, public awareness/educational campaign, clinical/non-clinical staff, vaccine program manager, large scale vaccination sites/scheduling platform and additional vaccine equipment.	CV0208 F1	3/11/2021	
		CV0209 F1	3/11/2021	
Health Care Businesses	Infection Control Training for Non-Nursing Facility Congregate Care Settings	Provides funding to ensure the health and safety of residents in congregate settings and to achieve an acceptable baseline of infection prevention and control practices in the short term which can be sustained going forward.	CV0102 F1	9/22/2020
	Personal Protective Equipment	State purchases of personal protective equipment (PPE) for the stockpile managed by the Maine Emergency Management Agency and the Maine Center for Disease Control and Prevention. PPE from the stockpile is distributed to long term care facilities, nursing homes, hospitals, and etc. As of 3/15/21, FEMA had approved \$4,102,516 of submitted expenses in this category and that amount has been removed	CV0182 F1	12/31/2020
			Expenditures initially made from a non-CRF SOM account that will be submitted to FEMA	

SECTOR	USE OF FUNDS	Description	Financial Order	Date Signed
Health Care Businesses	Personal Protective Equipment	State purchases of personal protective equipment (PPE) for the stockpile managed by the Maine Emergency Management Agency and the Maine Center for Disease Control and Prevention. PPE from the stockpile is distributed to long term care facilities, nursing homes, hospitals, and etc. As of 3/15/21, FEMA had approved \$4,102,516 of submitted expenses in this category and that amount has been removed from the Actual Expenses column - 75% (\$3,077,525) has been reimbursed by FEMA and the remaining 25% amount (\$1,024,991) is now included in the category Municipal Governments and Others - 25% Share of FEMA approved expenses. FEMA denied \$394 in submitted expenses which are still included in the Actual Expenses for this category.	for reimbursement. Expenses not reimbursed will be subsequently transferred to a CRF account(s).	
Higher Education	Testing, Health Screening Applications, PPE and Facility Costs	Provides funding to the University of Maine System, Maine Maritime Academy and the Maine Community College System for costs associated with COVID-19 testing, screening applications, PPE and quarantine-related costs. Provides funding to Maine Maritime Academy to improve/upgrade ventilation in Curtis Hall.	CV0163 F1	12/3/2020
			CV0164 F1	12/3/2020
			CV0178 F1	12/18/2020
			CV0180 F1	12/18/2020
			CV0188 F1	1/6/2020
Municipal Governments	Public Health Campaign	Provides funding to municipalities and tribal governments to create local COVID-19 education and prevention plans as part of the 2020 COVID-19 Municipal Awareness campaign that extends the work of the Maine Center for Disease Control and Prevention in promoting public education and public health activities.	CV0056 F1	7/2/2020
Municipal Govt & Others	25% Share of FEMA approved expenses	Assists local and tribal governments, and other entities that qualify for Federal Emergency Management Agency (FEMA) assistance, with incurred COVID-19 expenses by providing the 25% match against FEMA's Public Assistance Program Major Disaster Declaration for COVID-19. The CRF-based assistance is for eligible expenses incurred on or after March 1, 2020 that FEMA has approved by December 31, 2021. The Governor will continue to assess whether additional CRF is needed for match purposes based on submissions being made to FEMA. As of 3/15/21, the 25% share of FEMA approved PPE and related expenditures transferred from other categories in this report to the Actual Expenses column in this category total \$1,929,853: (A) PPE for Healthcare Businesses - \$1,024,992, (B) PPE and other for State Government - \$298,002, (C) PPE and Other for K-12 Schools - \$306,500, (D) IDEXX - \$300,360. The remaining Actual Expenses represent 25% reimbursements to municipalities and others for FEMA-approved expenses they submitted.	CV0034 F0	6/29/2020
			CV0050 F1	7/2/2020
			CV0096 F1	9/22/2020
			CV0172 F1	12/18/2020
			CV0206 F1	3/11/2021
Schools K-12	K-12 Reopening Efforts	State purchase of a three month supply of PPE to be available for distribution to K-12 school systems as needed for reopening. Additionally, to provide funding for anticipated unbudgeted expenditures and logistical hurdles including: transportation and facilities modifications to allow for social distancing and to accommodate new health/safety guidelines; increased need for cleaning supplies and handwashing stations; contracted services to cover custodial needs, tutoring, medical staffing and program oversight; increased need for substitutes, technology, assessments of student learning, communications resources/signage, and professional development for teachers who must become fluent in hybrid and remote learning models in order to accommodate all students. Augments the existing ConnectMaine program to provide funding to internet service providers to connect students to a high-quality broadband service to ensure all students can access and participate in remote learning opportunities. As of 3/15/21, FEMA has approved \$1,226,000 of submitted expenses in this category and that amount has been removed from the Actual Expenses column - 75% (\$919,500) has been reimbursed by FEMA and the remaining 25% amount (\$306,500) is now included in the category Municipal Governments and Others - 25% Share of FEMA approved expenses. FEMA denied \$3,676,287 in submitted expenses which are still included in the Actual Expenses for this category.	CV0066 F1	7/21/2020
			CV0085 F1	8/26/2020
			CV0092 F1	9/10/2020
			CV0099 F1	9/22/2020
