

MUNICIPALITY GRANTS

These grants provide funding to municipalities and Tribal governments as part of the 2020 Municipal COVID-19 Awareness Campaign. This funding extends the Maine Center for Disease and Prevention Work to promote public education and public health activities, implementing physical distancing measures, and providing technical assistance to local businesses to help them follow best practices described in COVID-19 Prevention Checklists. Funds are provided from the Coronavirus Relief Fund under the Coronavirus Aid, Relief and Economic Security Act.
