

Food and Hygiene Item Orders

The Department of Corrections allows family and friends to order food and hygiene items for residents of its adult facilities by ordering packages through Access Securepak (maximum of 1 package with no more than \$50.00 worth of product per week for any one resident). This can be done online at mainepackage.com, by phone at 1-800-546-6283, by mail at Access Securepak (ME), 10880 Linpage Place, St. Louis, MO 63132, or by fax at 1-866-754-2813.

Family and friends can also access the company's catalog using the above information (catalog is subject to change). Payment can be made by credit/debit card, verifiable pre-paid card, cashier's check, or money order (a personal check will NOT be accepted). Sales tax and shipping and handling are extra.

It generally takes three to four weeks for delivery of the package after it is ordered. Any problem with an order needs to be handled by contacting Access Securepak directly. Please note: there are short periods of time during the year, especially around holidays, when orders will not be accepted.
