Maine Department of Corrections March 2026: Juvenile Division Overview

Letter from Associate Commissioner:

Dear fellow Juvenile Justice Stakeholders,

The Maine Department of Corrections (MDOC), Division of Juvenile Services is committed to reducing the use of institutional secure confinement by increasing the capacity and use of community-based programming and supports.

In the last five years, the Division of Juvenile Services has significantly reduced the use of secure confinement (Long Creek Youth Development Center) by strategically investing in community-based programming for justice involved youth. These investments target three major areas: Referral (pre-adjudication), Supervision (probation), and Commitment/Reentry.

The attached Juvenile Justice Overview Report provides statewide and regional metrics identifying the three major target areas listed above.

I would like to thank all the MDOC staff, community providers and stakeholders for contributing to this work.

Sincerely,

Christine Thibeault
Associate Commissioner
Maine Department of Corrections
Division of Juvenile Service
