Maine Department of Corrections Provides Updates on COVID-19 Cases

Currently two facilities of the Maine Department of Corrections continue to be classified as COVID-19 outbreak sites, Long Creek Youth Development Center (LCYDC) and Maine Correctional Center (MCC).

LCYDC, as part of this outbreak, has had twelve staff confirmed COVID-19 positive, that's four more than last reported. Of these, eight have since recovered. To date, no juvenile residents of the facility have tested positive related to this outbreak.

On the campus of MCC a total of seventeen staff have been confirmed COVID-19 positive during this outbreak, that's four more than previously reported. Of these, thirteen have since recovered. During this outbreak, 143 residents of the facility have been confirmed positive. Currently, no residents are COVID-19 positive.

Testing continues across MDOC facilities.
