

Locating Maine Licensed Soil Scientists, Geologists, Professional Engineers, Foresters, Land Surveyors, and Plumbers

Use the Department of Professional and Financial Regulation’s search engine for licensed professionals at <https://www.pfr.maine.gov/almsonline/almsquery/SearchIndividual.aspx> and follow the steps below.

1) In the drop down menu for “Regulator,” choose the type of professional.

Search Individuals

The screenshot shows the search engine interface. At the top, there are two dropdown menus for 'Department' and 'Agency', both set to 'ALL'. Below them is the 'Regulator (required)' dropdown menu, which is open and shows a list of professions. The following professions are circled in red: FORESTERS, GEOLOGISTS & SOIL SCIENTISTS, LAND SURVEYORS, PLUMBERS, and PROFESSIONAL ENGINEERS. Other visible professions include FUEL, FUNERAL SERVICES, INSURANCE, MANUFACTURED HOUSING, MESSAGE THERAPY, MEDICINE, MOTOR VEHICLE INSPECTION UNIT, NURSING, NURSING HOME ADMINISTRATORS, OCCUPATIONAL THERAPY, OPTOMETRY, OSTEOPATHIC LICENSURE, PHARMACY, and PHYSICAL THERAPY.

2) Select “[Show Additional Search Options.](#)”

3) In the drop-down menu for “Profession,” choose the type of licensure.

4) You may narrow your search by entering a City, selecting a County from the drop down menu, and/or entering a Zip Code. (The Country and State menus may be left on “ALL.”)

The screenshot shows the 'U.S. States and Territories' section of the search engine. It includes a 'City' input field, a 'State' dropdown menu set to 'ALL', a 'County' dropdown menu set to 'ALL', and a 'Zip' input field.

5) At the bottom of the page, select “Search active licenses only” and then click the “Search” Box.
