

MINOR CHANGE REQUEST

For Revisions to Previously Issued Permits

WHO MAY USE THIS FORM?

You may complete this form to request a minor change consisting of a revision to a permit previously issued by the Commission where the revision is the result of or change to one of the following:

- **Reflecting a change in ownership.** Unless otherwise specified in a permit or by Chapter 4 of the Commission's rules, Section 4.07, I, the Commission does not require a new property owner to transfer ownership of a permit—such transfers are optional. Transfers do not extend a permit expiration date or make any other changes to the permit. To request a transfer, submit a signed copy of any deed, lease or sales contract that shows the ownership change.
- **Correcting typographical errors or other errors of transcription.** This may be done at the request of an applicant or by Commission staff if an error is found.
- **Changing the phrasing of the Commission's written decision.** This form may be used to change permit phrasing where the change in phrasing is consistent with the intent of the Commission's decision. This may be done at the request of a permittee or by Commission staff.
- **Corrections of dimensions or minor variations, expansions or changes affecting less than 10% of an approved structure or project.** This allows for changes to the dimensions of structures previously approved by the LUPC, as long as such changes do not make a structure more nonconforming. This form may not be used for new structures or additions. In such cases, an applicant will need request a permit amendment.
- **Renewal of permit.** This form may be used, on a one-time basis, to extend by two years either or both the date by which an activity approved by a permit must be substantially started or substantially completed. This form may not be used if the previously issued permit has already expired.

The Minor Change Request may only be used to make the changes listed above. A proposal that includes any other changes must be submitted using an appropriate permit application form. This request form is not a permit. Rather, it is an acceptance by the LUPC that the requested minor change may be done without a permit amendment. The Commission's acceptance of a minor change request does not modify any conditions or terms of previously issued permits. **Depending on the request, the LUPC may ask for additional information or may require completion of a permit application to amend an existing permit.**
