All:

Please review and comment on the project noted in the subject line and attached form above. Please let me know if you are not going to submit comments or if you think someone else

should be receiving this review request.

A note: the application is rather large; here are some .pdf starting page locations that could be helpful in your review.

Wetland information: Page 199

Phosphorus Control Plan information: Page 370

Visual Impact Assessment information: Page 233

Historic Preservation information: Page 232 and VIA

Wildlife and Rare Species assessment: Page 151

Soils information: Page 176

**Please note that this project is located at a different location on the property and is a different height than the first DP 5050 submittal.**

1. I have consolidated and placed the full application and the site plans as of July 08, 2021 on the LUPC FTP site.

To retrieve the application material, you will need a high-speed internet connection and a storage device.

**Please follow these steps to retrieve the documents from the LUPC FTP site:**

Go to <http://www.maine.gov/dacf/lupc/review/>

After clicking the link above - a login box will open and you will be prompted to enter a:

User Name: **doc**

Password: **mejuril** (Note the last character of the password is a one)

then go to Folder Name: **LUPC Downeast Region**

then go to Folder Name: **1\_dp5050b\_Application**

The File Names are: **20210708\_dp5050b\_UpdatedSitePlans.pdf** and **20210708\_dp5050b\_UpdatedApplication.pdf**

To download, right-click on the file you want and select the "Save As..." or "Save Target As..." option. Then save the file to your computer.

2. I have attached a link to a webpage for the 300-foot telecommunications tower in Dallas Plantation, Franklin County, Maine.  
The webpage includes additional information on the project timeline and will include information on the public hearing when scheduled.
