SUPPLEMENTAL LABELING
DIAZINON AG500
EPA Reg. No. 66222-9

SUPPLEMENTAL DIRECTIONS FOR USE ON BALSAM FIR IN MAINE ONLY

DIRECTIONS FOR USE
• It is a violation of Federal law to use this product inconsistent with its labeling.
• This supplemental labeling must be in the possession of the user at the time of pesticide application.
• Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label.

ORNAMENTAL STATEMENT
Before treating a large number of ornamental plants with Diazinon AG500 alone or as a tank mixture with any other material, make a test application on a few plants and observe for 7 to 10 days prior to treating large areas to reduce the possibility of plant injury.
