

Outcome Based Forestry Technical Advisory Panel

Kyle Burdick is the Woodlands Manager for Baskahegan Company. He received his BS in Forest Management from the University of Maine and is a Licensed Forester and Certified Forester. For the last 10 years he has managed lands in eastern Maine for industrial, conservation, and family woodland owners. Prior to that he worked on industrial forest land in the Adirondacks. Kyle is a member of SAF, the Maine Tree Farm Committee, Project SHARE, Maine Woodland Owners, and the Forest Stewards Guild. He lives in Pembroke.

Barry Burgason received a BS in wildlife management from Cornell University and a MS in wildlife management from the University of Maine. He is a Certified Wildlife Biologist and a member of The Wildlife Society. Barry has been involved with forestry/wildlife interactions since beginning his thesis on wildlife use of clearcuts in the Moosehead region. He then worked as the assistant regional wildlife biologist for the Department of Inland Fisheries and Wildlife for 17 years. From 1995 to 2017, he was the wildlife biologist for Huber Resources Corporation. As part of Huber's management team, he participated in SFI and FSC certification audits. Barry has chaired the Maine Forest Products Council's wildlife committee and participated in a variety of forestry/wildlife panels and publications.

Mike Dann is a retired forester from Dixmont. He earned a BS in Forest Management from the University of Maine and is a Licensed Forester. He has 40 years' experience in natural resource management; 36 years with Seven Islands Land Company and 4 years with SWOAM. He is a member of SWOAM, Maine Forest Products Council, Forest Resources Association, and the Society of American Foresters. He also is a Tree Farmer. He is an FSC forest management and chain of custody auditor.

Keith Kanoti has over 20 years' experience working in various aspects of forestry, including forest management, policy and education. He currently is the University Forest Manager at the University of Maine, where he is responsible for managing all forestland of the University of Maine System and the University of Maine Foundation. Prior to this he worked for the Maine Forest Service where he oversaw the statewide forestry water quality program. Keith has a B.S. in Forestry from the University of New Hampshire and a M.S. in Forestry from the University of Maine. He is a Maine Licensed Forester.

Maxwell McCormack, Jr. is a retired professor of silviculture from the Maine School of Forestry and a Research Professor Emeritus of Forest Resources at the University of Maine. He currently is a consultant from his home in Unity. He is a member of many professional organizations including the Society of American Foresters, the Weed Society of America, the Northeastern Weed Science Society, Maine Forest Products Council, Maine Christmas Tree Association, The Nature Conservancy, SAM and many more. He received numerous honors throughout his distinguished career. Dr. McCormack is a graduate of the University of Maine with a BS in Forestry, earned both an MF and DF in Silviculture from Duke University. He is a licensed forester.

David Struble retired as the Director of the Maine Forest Service's Forest Health and Monitoring Division, and State Entomologist. His 40-plus year career with the MFS focused on monitoring and evaluating forest health and sustainability, and developing pest management options for Maine's forest and shade tree owners. He serves on a number of regional and national task forces and US Forest Service program oversight/management committees. Mr. Struble is a graduate of the University of Maine with a BS in Forestry and an MS in Entomology. He is a licensed forester.

Peter Triandafilou is from Orono and is the current Vice President of Woodlands for Huber Resources Corp. He is a member of the Maine Forest Products Council, the North Maine Woods and the Society of American Foresters. He is a licensed forester and has participated on numerous public boards including outcome based forestry, LURC reform, sustainable forestry, wood supply and statewide water quality rules. He currently serves on the Maine Development Foundation Board of Directors and formerly served on the Maine Technology Institute Board of Directors.
