The resource professionals on this list are scheduled to attend the Invasive Plants Academy (IPA) on May 19-25, 2021. Preparers of Invasive Plant Control Practice Plans (IPCPPs), as part of the Invasive Plant Management Program, must successfully complete the IPA. Any prior agreement to prepare an IPCPP between a landowner and a resource professional on this list should be provisional upon successful completion of the IPA. The terms of any agreements between landowners and resource professionals are strictly between them as willing service providers and clients.
