Coastal Community Grant Program Grant Awards	NOAA Grant	Project ID #	Maine FY	Primary Issue area	Grant amount	Completion date
Southern Maine Planning and Development Commission (SMPDC) - Implementation of Piscataquis Regional Comprehensive Conservation and Management Plan prepared by Piscataquis River Estuary Partnership (PREP)	10	54	12	see "SMPDC PREP" projects listed individually (14,16,17 & 24) Total grant amount: \$29,400		6.30.13.
Lincoln County Regional Planning Commission (LCRPC) - Coastal Hazard Resilience Phase II	14	55	15	see "LCRPC Phase II" projects listed individually (29,35,36) Total grant amount: \$15,998		12.31.14.
Arrowsic - Alewife Restoration and Wildlife Crossing	10	1	12	coastal habitat restoration	\$ 11,340	12.30.12
Augusta - Final Design to Restore a Historical Alewife Run of Significance to the Lower Kennebec	13	26	14	coastal habitat restoration	\$ 15,863	12.31.15.
Boothbay Harbor - West Harbor Pond Water Quality Restoration	17	56	18	coastal habitat restoration	\$ 12,400	12.31.18.
Bristol - Citizen Science and engineering to Plan the Restoration of Pemaquid River Alewife	13	27	14	coastal habitat restoration	\$ 14,250	5.31.15.
Brunswick - Community Project to remove invasive European Green Crabs from two coves in Brunswick	13	19	14	coastal habitat restoration	\$ 49,760	5.31.15.
Cape Elizabeth - Culvert and Habitat Assessment	17	57	18	coastal habitat restoration	\$ 15,000	ext. to 3.31.19.
MidCoast Council of Governments/Kennebec Estuary Land Trust - Improving the Efficiency of Shellfish Growing Areas	10	2	12	coastal habitat restoration	\$ 47,500	6.30.13.
Phippsburg - Citizen Science and Engineering to Improve Fish Passage at Center Pond	14	28	15	coastal habitat restoration	\$ 18,000	12.31.15
Lincoln County Regional Planning Commission - Linking Stream Smart Crossing data with Google maps	14	29	15	coastal habitat restoration	\$ 6,390	12.31.15
South Portland - Trout Brook Culvert Improvements	17	59	18	coastal habitat restoration	\$ 54,806	ext. to 3.31.19.
Topsham - Little River Fish Passage Barrier Survey	10	3	12	coastal habitat restoration	\$ 5,147	12.31.12.
Washington County Council of Governments - Downeast Sustainability Project River Herring Restoration	16	31	17	coastal habitat restoration	\$ 41,280	ext. to 9.30.18.
Woolwich/Kennebec Estuary Land Trust - Nequasset Fishway Restoration Planning (Phase I)	10	4	12	coastal habitat restoration	\$ 16,527	4.30.13.
Woolwich/Kennebec Estuary Land Trust - Nequasset Fishway Construction Materials (Phase II)	13	5	14	coastal habitat restoration	\$ 30,262	12.31.14.

Warren - Coastal Habitat "Stream Smart" Culvert Replacement Initiative	14	30	15	coastal habitat restoration	\$ 34,965	ext. to 11.30.16.
Bowdoinham - Re-Development of Public Works Waterfront Property (Phase I & II)	17 & 18	62	19	coastal resiliency - living shorelines	\$ 45,750	11.30.20.
Bustins Island Village Corporation/Cumberland County Soil & Water Conservation District: Green Infrastructure	18A	68	20	coastal resiliency -living shorelines	\$ 17,802	12.31.20. (ext. proposed)
<b>Coastal Community Grant Program Grant Awards</b>	NOAA Grant	Project ID	Maine FY	Primary Issue area	Grant amount	Completion date
Camden - Harbor Park Seawall and Montgomery Dam Redesign	17 & 18A	69	20	coastal resiliency	\$ 40,000	12.31.20. (ext. proposed)
Chebeague Island/Greater Portland Council of Governments - Coastal Hazards and Adaptation Study	14 & 15	32	16	coastal resiliency	\$ 15,000	ext. to 3.30.17.
Damariscotta - Downtown Damariscotta Coastal Hazards Preliminary Engineering Study	13	6	14	coastal resiliency	\$ 20,000	ext. to 4.30.15.
Hancock County Planning Commission - Adapting Stonington Working Waterfront: Implementation Strategy for Resiliency	14	33	15	coastal resiliency	\$ 31,562	ext. to 3.31.16.
Harpswell - Coastal Flooding: Plan for Basin Point Road and its Wetlands	17	58	18	coastal resiliency	\$ 20,000	12.31.18.
Islesboro - Resilience Planning for the Future with the Threat of Flooding from Storm Surge & SLR	14 & 15	34	16	coastal resiliency	\$ 40,000	ext. to 6.30.17.
Lincoln County Regional Planning Commission - Coastal Hazards Resilience Phase I - Outreach to Lincoln County coastal communities with Maine Geological Survey	11	7	12	coastal resiliency	\$ 35,040	6.30.13.
Lincoln County Regional Planning Commission - Coastal Hazard Resilience Phase II - Category 1 Hurricane Map Books for Emergency Management	14	35	15	coastal resiliency	\$ 2,648	12.31.15
Lincoln County Regional Planning Commission - Coastal Hazards Resiliency Tools Phase II - SLR overlay zone in Shoreland Zoning Ordinances	14	36	15	coastal resiliency	\$ 6,960	12.31.15.
Lincoln County Regional Planning Commission - Boothbay Harbor Waste Water Treatment Plant Coastal Hazard Resilience Project (Boothbay Harbor, Boothbay & Southport)	14 & 15	38	16	coastal resiliency	\$ 20,000	12.31.16.
Lincoln County Regional Planning Commission - Downtown Boothbay Harbor Adaptation Options for Increased Storm Surge Resiliency	16	39	17	coastal resiliency	\$ 28,000	ext. to 11.30.18.
Lincoln County Regional Planning Commission - Coastal Hazards Resiliency Tools Phase III- SLR overlay zone in Floodplain Management Ordinances	16	37	17	coastal resiliency	\$ 9,850	ext. to 3.30.18
Machias Waterfront Resilience and Renewal	17	60	18	coastal resiliency	\$ 45,094	ext. to 3.31.19.
Monhegan Plantation: Monhegan Island Alternative Domestic Water Supply Feasibility Study	18A	70	20	coastal resiliency	\$ 39,240	12.31.20.
Phippsburg/Kennebec Estuary Land Trust - Collaboration to Increase Social Resilience in Midcoast Maine	20	72	21	coastal resiliency	\$ 19,541	12.31.21.

South Portland - Vulnerability Assessment Mapping	17 & 18	65	19	coastal resiliency	\$ 50,189	11.30.20.
Southern Maine Planning and Development Commission (PREP): Town of York Comprehensive Plan Sea Level Adaptation Chapter	10	14	12	coastal resiliency	\$ 8,000	6.30.13.
Southern Maine Planning and Development Commission: Tides, Taxes and New Tactics	18A	71	20	coastal resiliency	\$ 46,187	12.31.20. (ext. proposed)

<b>Coastal Community Grant Program Grant Awards</b>	NOAA Grant	Project ID	Maine FY	Primary Issue area	Grant amount	Completion date
Southern Maine Planning and Development Commission -Developing A Model Coastal Resilience Ordinance to Protect Maine's Coastal Cities, Towns and Residents	20	73	21	coastal resiliency	\$ 48,600	12.31.21.
Stonington - Flood Vulnerability Assessment and Adaptation Plan for Municipally Owned Infrastructure	18	66	19	coastal resiliency	\$ 60,000	11.30.20. (ext. proposed)
Vinalhaven - Coastal Flooding Vulnerability Study of Downstreet Business District	16	40	17	coastal resiliency	\$ 45,000	ext. to 3.30.18
Washington County Council of Governments - Washington County Resilience (Eastport, Jonesport, Lubec, Machias, Machiasport, Milbridge)	17 &18	67	19	coastal resiliency	\$ 62,033	11.30.20.
Washington County Council of Governments - Working Waterfronts Preparing for Climate Change (Milbridge, Jonesport, Machiasport, Cutler, Lubec and Eastport)	13	N/A	14	coastal resiliency	\$ 26,000	Grantee withdrew from grant program
Wiscasset - Waste Water Treatment Plant Coastal Hazard Resilience Project	15	41	16	coastal resiliency	\$ 20,000	12.31.16.
Cutler Public Access Project Part I - concept plan	11	8	12	harbor and water access planning	\$ 12,338	ext. to 4.30.13.
Cutler Harbor Public Access Project Part II - construction materials (supplements MaineDOT SHIP grant)	15	42	16	harbor and waterfront access	\$ 25,500	12.31.16.
Belfast - Rangeway Management Plan Project Phase I & II	15 & 16	43	16	water access	\$ 25,500	ext. to 3.30.18.
Wells - Harbor Bridge Study	10	15	12	water access	\$ 25,000	ext. to 6.30.13.
Belfast - "Passy" (Passagassawakeag River) Rail Trail	11	20	12	public access	\$ 40,000	ext. to 6.30.13.
Camden - River to Harbor Walk (Megunticook River)	12	21	13	public access	\$ 15,000	12.31.13.
Wells - Marsh Walk Design	15	44	16	public access	\$ 5,200	6.30.16.
Yarmouth - Reconnecting Yarmouth Village to the Working Waterfront	10	22	12	public access	\$ 29,000	12.30.12.
Gardiner - Downtown Master Plan - Reinforcing the City's Connection to Nature	20	74	21	ensuring vibrant, sustainable coastal communities	\$ 33,750	12.31.21.
Hancock County Planning Commission - Orland Waterfront Revitalization Plan	14 & 15	45	16	ensuring vibrant, sustainable coastal communities	\$ 14,840	ext.to 3.30.17.

Bar Harbor Open Space Plan	12	9	13	open space planning	\$ 11,000	ext. to 6.30.14.
Southern Maine Planning and Development Commission (PREP) - South Berwick Conservation/ Open Space Plan	10	16	12	water quality and open space planning	\$ 8,000	6.30.13.
Brunswick - Mare Brook Watershed and Community Engagement Project	14 & 15	46	16	water quality and land use	\$ 47,925	12.31.16.
Ogunquit - Addressing the Effects of Land Use on Water Quality in Ogunquit Watershed (in partnership with Wells, York and South Berwick)	15	47	16	water quality and land use	\$ 28,599	12.31.16.

<b>Coastal Community Grant Program Grant Awards</b>	NOAA Grant	Project ID	Maine FY	Primary Issue area	Grant amount	Completion date
Rockport Addressing the Effects of Land Use on Water Quality	15	48	16	water quality and land use	\$ 11,236	12.31.16.
Southern Maine Planning and Development Commission - York River Watershed Analysis (York, Kittery, Eliot and South Berwick)	17	61	18	water quality and land use	\$ 15,000	12.31.18.
SMPDC/Cumberland County Soil & Water Conservation District - Development of Checklist and Technical Standards for Erosion and Sediment Control Plans for Municipal Separate Storm Sewer System (MS4) communities	20	75	21	water quality and land use	\$ 32,550	12.31.21.
Waldoboro - Septic System Vulnerability Assessment Guidance Document Development and Case Study	20	76	21	water quality and land use	\$ 22,535	12.31.21.
Washington County Council of Governments - Rain Gauges and Shellfish Closure Outreach Project (Steuben, Milbridge, Harrington, Columbia Falls, Jonesport, Jonesboro, East Machias, Lubec, Pleasant Point, Cutler, Dennysville and Pembroke)	15	49	16	water quality and land use	\$ 27,108	ext. to 6.30.17.
Bath - Downtown Stormwater Management Study	16	50	17	stormwater management	\$ 42,000	ext. to 3.30.18.
Cape Elizabeth Town Center Stormwater Study	15	51	15	stormwater management	\$ 16,500	12.30.15.
Eastport - Adaptive Responses for Custom Street - design & construction materials	15	N/A	15	stormwater management	\$ 27,794	Grantee withdrew from grant program
Ellsworth - Stormwater Management and Adaptation Planning (includes \$15,000 amendment 1:1 match)	15	52	15	stormwater management	\$ 40,000	ext. to 6.30.16.
Falmouth - Route 1 Commercial District Stormwater Management Plan	10	10	12	stormwater management	\$ 50,000	12.30.12.
Gardiner - Stormwater Management Study	16	53	17	stormwater management	\$ 30,000	ext. to 2.28.18.
Portland - Stormwater Outreach and Sewer Rate Change Project	10	11	12	stormwater management	\$ 39,200	6.30.12.
Southern Maine Planning and Development Commission (PREP) - Stormwater utility feasibility workshop for Kittery, Eliot, South Berwick, York	10	17	12	stormwater management	\$ 8,000	6.30.13.

<b>Coastal Community Grant Program Grant Awards</b>	NOAA Grant	Project ID	Maine FY	Primary Issue area	Grant amount	Completion date
Bangor - Urbanized Area Stormwater Pollution Prevention ("P2") Project	12	12	13	water quality	\$ 8,350	6.30.14.
Camden - Water Quality Remediation for Laite Beach and Camden Harbor	10	23	12	water quality	\$ 15,000	12.30.12
Georgetown/Kennebec Estuary Land Trust - Georgetown Water Resources Project	12	13	13	water quality	\$ 25,200	12.31.13
Hancock County Planning Commission - Blue Hill Bay Water Needs Assessment	11	18	12	water quality	\$ 35,000	6.30.13
SMPDC (PREP) - Kittery Septic System Mapping and Watershed Protection Project	10	24	12	water quality	\$ 5,400	6.30.13
Thomaston/St. Georges River Tidewater Association - Water Quality Monitoring Program	10	25	12	water quality	\$ 30,000	ext. to 3.31.13
Greater Portland Council of Governments/Falmouth - Proactive Watershed Management in Falmouth	18	63	19	watershed planning	\$ 15,000	11.30.20.
Lamoine/Hancock County Soil & Water Conservation District - Eastern Bay Watershed-Based Management Plan	17&18	64	19	watershed planning	\$ 36,908	Grantee withdrew from grant program

**TOTAL CCG Awards** \$ 2,030,419
