

PARK INFORMATION

- The park entrance booth is staffed from 8:00 am to 9:00 pm. At other times, should a need arise, there is a ranger available in the house.
- When gathering firewood in the park, remember you may use wood that is dead and down, but don't cut down any trees, big or small. Chainsaws are not allowed.
- Canoes, paddleboats, row boats, paddle boards, and kayaks are available to rent at the Lake St. George Booth for \$5.00 per hour / \$20.00 a day.
- Remember the trash disposal policy in all day use areas of the park is Carry In, Carry Out. Campers will find a recycling center for their trash as they enter or leave the campground.
- Pets in the park should be kept on a leash and not left unattended; clean up their waste immediately. We ask those using the beach to keep their pets out of the swim area. Cases of rabies have been reported in the Liberty area so it is especially important to abide by the rules for the safety of your pets and others.
- Other amenities: Swimming, lifeguard, fishing, nearby boat launch, hiking trails, picnic area, playground, horseshoes, hot showers, flush toilets and dumping station.
