ORGANIZATION	CONTACT	EMAIL	PROJECT TITLE	BRIEF PROJECT DESCRIPTION	AWARD
Appalachian Mountain Club	Emily Wight	ewight@outdoors.org	KI-Brownville Rail Trail Restoration Project	Rehabilitates four miles of multi-use trail with resurfacing, drainage upgrades, new bridge structures, and improve public multi-use access to the trail and region.	\$ 250,000.00
City of Augusta	Earl Kingsbury	earl.kingsbury@augustamaine.gov	Howard Hills Accessible Trail	Constructs an accessible one-mile loop trail with supporting infrastructure, new parking, signage, and improvements to existing routes to provide safe access to Howard Hill's scenic vistas.	\$ 250,000.00
Town of Bowdoinham	Yvette Meunier	planning@bowdoinham.com	Cathance Meadow Trail System Improvements	Enhances accessibility and safety through Universal Access Standard trail upgrades, new drainage structures, viewing platforms, and improved wayfinding.	\$ 62,820.97
City of Brewer	Eric Glidden	eglidden@brewermain.gov	Pier Park and Trail Project	Develops 1,950 feet of new trail, parking area, and overlook of the Penobscot River.	\$ 250,000.00
Town of Brunswick	Tom Farrell	tfarrell@brunswickme.gov	Brunswick Landing Perimeter Trail Phase 1	Constructs 0.68 miles of a 10-foot-wide accessible forested trail with bridges and wetland crossings, as a beginning phase of a larger 8.4 mile perimeter trail around a former naval air station.	\$ 250,000.00
Coastal Mountain Land Trust	Tempe Landi	tempe@coastalmountains.org	Balance Rock ABA Trail	Builds a fully accessible trail to the Balance Rock lakeside destination.	\$ 184,295.00
Coastal Rivers Conservation Trust	Katie Beaver	kbeaver@coastalrivers.org	Castner Brook Community Forest Accessible Trail	Enhances an accessible trail and trailhead, installs interpretive signage, and constructs a wheelchair-accessible, and builds a one mile mt bike trail connecting to a larger trail network.	\$ 138,200.00
Dennysville Snowmobile & ATV Club	Mark Wigley	eastportmark@gmail.com	Rehabilitate two bridges on Sunrise Trail Extension ITS-82	Rehabilitates two deteriorated bridges with upgraded decking, safety railings, and improved approaches to protect multi-use trail users and grooming operations.	\$ 246,600.00
East Branch Sno-Rovers and ATV	Rob Gibson	robgilson1963@gmail.com	ATV/Snowmobile Bridges and Trail Repairs and Replacement	Rebuilds two washed-out bridges and reconstructs 2.5 miles of severely eroded trail to restore safe year-round ATV and snowmobile use.	\$ 119,017.13
E-Ville Riders	Juan Fernandez	JFernandez7185@gmail.com	Long Pond Bridge	Replaces an aging bridge and rehabilitates 2.25 miles of access trail to ensure safe passage for riders and grooming equipment.	\$ 99,195.12
Freeport Historical Society	Timothy McGarvey	info@freeporthistoricalsociety.org	Pettengill Farm Preserve Trail Restoration	Replaces unsafe trail infrastructure, constructs a new parking area with a vault toilet, builds wider bridges, and improves signage.	\$ 73,500.00
Fort Kent Outdoor Center	Carl Theriault	carlther17@gmail.com	Green Bean Nordic Trail Reconfiguration	Reconfigures four km of deteriorated Nordic trail with a two km reroute creating safer beginner- and intermediate-friendly terrain.	\$ 162,155.00
Falmouth Land Trust and Cumberland Chebeague Island Land Trust	Amanda Methot-Vigue	amethotvigue@falmouthme.org	New and Improved Trails Connecting Cumberland and Falmouth	Expands trail connectivity and resilience across multiple preserves by upgrading parking, improving eroded trail sections, constructing a new 2 mile trail section.	\$ 153,231.45
Great Works Regional Land Trust	Jill Crosbie	jcrosbie@gwrlt.org	OBP Universal Access Trail	Upgrades an existing 1.12-mile trail to meet Universal Access Standards.	\$ 134,122.74
High Peaks Alliance	Brent West	Brent@highpeaksalliance.org	Sandy River Trail	Acquires 120 acres along the Sandy River and develops a 1-mile multi-use trail and create the only public trail in the community.	\$ 250,000.00
Island Heritage Trust	Alex Drenga	adrenga@islandheritagetrust.org	Island Heritage Trust Accessibility Improvements at Barred Island and Lily Pond	Upgrades two popular trail networks to meet accessibility standards through reroutes, resurfacing, drainage fixes, and improved trailheads.	\$ 250,000.00
Inland Woods + Trails	Gabe Perkins	gabe@woodsandtrails.org	Rumford Community Forest Activation	Builds 9.51 miles of multi-use, single-track mt biking trails, hiking trails, and related trail infrastructure in a new community forest.	\$ 248,000.00
Eastern Maine Community College Katahdin Higher Education Center	Deborah Roundtree	drountree@mainecc.edu	Early Childhood Cultural Nature Trail at Katahdin Higher Education Center	Creates an accessible cultural story-loop trail for young children and families featuring Penobscot storytelling and nature-based learning spaces.	\$ 247,500.00
Kokadjo Roach Riders Snowmobile Club	Thomas Gilbert	Krrsc.org@yahoo.com	Trail Rehabilitation Project	Reconstructs five eroded trail sections and builds a groomer access route.	\$ 145,984.52
Town of Lakeville	Gary Johnson	gjohnson566@gmail.com	Dill Brook Crossing	Creates a safe and crossing for recreational activities separate from vehicular traffic and reroutes 1,900 feet of trail to reduce environmental impacts.	\$ 247,000.00
Loon Echo Land Trust	Matthew Markot	matt@lelt.org	Rolfe Hill Forest Trail	Builds 5.5 miles of new trail including 2 miles built to adaptive mountain bike specifications to meet regional recreation demand and support long-term community use.	\$ 142,538.44
Maine Appalachian Trail Club	Holly Sheehan	coordinator@matc.org	Appalachian Trail Improvements	Rehabilitates a section of heavily eroded trail, removes old privy materials, and installs a trail amenity to improve environmental conditions and hiker safety.	\$ 116,474.00
Maine Coast Heritage Trust	Kyle Winslow	kwinslow@mcht.org	Boot Head Preserve Trail Restoration And Accessibility Improvement	Renovates and realigns degraded coastal trail segments with new boardwalks, hardened tread, and expanded parking to improve accessibility while reducing impacts to sensitive peatland habitat.	\$ 250,000.00
Maine Huts and Trails	Wolfe Tone	info@mainehuts.org	Dead River Conservation Corridor Trail Revitalization and Resiliency Project	Revitalize two sections of trail as part of a three-phase effort to repair, improve, and reopen the trail between Big Eddy and West Forks.	\$ 250,000.00
Town of Monmouth	Charles Cohen	rhodyguy76@gmail.com	Monmouth/RSU #2 Accessible Trail System	Builds 1.25 miles of multi-use trails to meet Universal Accessible Trail standards, including crushed-aggregate surfaces, drainage improvements, and a long boardwalk.	\$ 202,314.00
Moosetown Riders	Lynn Kelly	moosetownridersallagash@gmail.com	Moose town Riders Groomer Garage and Clubhouse	Constructs a secure, heated groomer garage with publicly available restrooms to improve trail services, safety, and support Allagash's role as a regional trail hub.	\$ 121,500.00
Northern Forest Canoe Trail	Noah Pollock	Noah@northernforestcanoetrail.org	Gull Pond Stream Carry Trail and Flagstaff Lake Access and Campsite	Upgrades trails, replaces failing bog bridging, improves campsite facilities, and installs two ADA-compliant docks.	\$ 50,020.00
Town of Oakland	Boyd Snowden	bsnowden@oaklandme.gov	Oakland Trails - Trailhead Parking Lot	Creates a functional and welcoming trailhead to the Madison Branch Rail Trail.	\$ 151,024.00
Outdoor Sports Institute	Mike Smith	mike@outdoorsi.org	Katahdin Area Trails Development and Expansion Project	Builds 1.6 miles of new shared-use trail in Hammond Ridge, rehabilitates a connector trail to a community trail network in Millinocket, and develops 2 miles of beginner singletrack trail in Island Falls.	\$ 250,000.00
Presumpscot Regional Land Trust	Toby Jacobs	toby@prlt.org	Creating the Gorham Community Forest and Outdoor Classroom	Develops a one mile, six foot wide trail with extensive boardwalk and scenic overlook in a forested preserve.	\$ 237,990.00
Rangeley Lake Snowmobile Club	Brent West	Brent@highpeaksalliance.org	Rangeley Lake Snowmobile Club Park and Ride	Establishes a new low-impact Park & Ride facility on conserved land to reduce village congestion, improve trail access, and support sustainable recreation in the Rangeley region.	\$ 174,780.00
City of Rockland	Jenny Carter	jcarter@rocklandmaine.gov	Benner Hill Trail Development Project	Constructs 3.6 miles of multiuse single-track trails, dedicated mt bike-only technical descents, and trailhead facilities.	\$ 250,000.00
Royal River Conservation Trust	Hanae Garrison	hanae@rrct.org	Interurban Multi-Use Trail Improvements/Water Access Upgrade/Warbler Trail Rehabilitation with Water Management + Pole Saw	Rehabilitates .5 miles of a multiuse trail corridor, stabilizes a water-access trail with infiltration steps, and upgrades another trail to Universal Access Standards.	\$ 78,234.55
Rome Ruff Riders Snowmobile Club	Doug McCosh	rome.ruff.riders@gmail.com		Repairs storm-damaged trail sections and improves drainage.	\$ 39,800.00
Sinclair ATV Club	Steve Pelletier	steve.pelletier@aroostook.me.us	Sinclair ATV Trail Renovation Project	Renovates 8 miles of trail, installs new drainage structures, reroutes the trail away from the road, and helps restore safe ATV access between Sinclair and Stockholm.	\$ 90,270.00

BUREAU OF PARKS AND LANDS
GRANTS AND COMMUNITY RECREATION PROGRAM
 DEPARTMENT OF AGRICULTURE, CONSERVATION & FORESTRY

Town of Searsmont	Hubert McCabe	selectmanmccabe@searsmont.com	A Trail for All	Designs and builds a 1,700-foot Universally Accessible Trail with a trailhead, signage, and benches to expand recreation in the region.	\$ 127,500.00
St. Francis Sno Angels	Lynn Kelly	stfrancisnoangels@gmail.com	St. Francis Sno Angels Groomer Garage	Builds a secure, heated groomer garage to protect equipment and improve reliability of a high-use regional trail system.	\$ 131,581.23
South Portland Land Trust	Tex Haeuser	tex@haeuserplanning.com	Long Creek Trail Renovation and Improvements Project	Rebuilds an aging hillside trail to widen the tread, reduce grades, and add new signage for improved accessibility.	\$ 139,397.55
Twin Pines Snowmobile Club	Valerie Locke	vlocke.neoc@gmail.com	Twin Pines Snowmobile Club Trail MTP 2025 Grant Application	Completes major bridge replacement, reconstruct the Logan Pond Trail section, and rehabilitating a trail section damaged from the 2024 fall storm.	\$ 223,650.00
Viles Arboretum	David Greenham	David.greenham@vilesarboretum.org	Nature Without Limits: A 1.27 mile accessible trail loop	Builds a fully accessible 1.27-mile loop with ADA-compliant design to serve visitors needs.	\$ 249,439.00
Veteran Trail Riders	James Clark	jamesc@bootsontheground.org	Huntly Creek Trail	Develops a new trailhead, Park & Ride facility, and 1.5-mile trail extension to provide safe trail access and link Cutler to statewide trail corridors.	\$ 84,598.00
City of Waterville	Jefferson Tucker	jtucker@waterville-me.gov	Quarry Road Trails - Phase 1 Trails Master Plan	Constructs 1.5 miles of new multiuse single-track trail, rehabilitates 3 miles of Nordic trail to meet FIS Cross-Country homologation standards, and builds a multipurpose trailhead building to support growing year-round.	\$ 249,046.00
Wilhelm Reich Infant Trust (Wilhelm Reich Museum)	Renata Moise	wildlandspainter@gmail.com	Trail Head Vault Privy	Builds a new vault privy at the trailhead to address rising visitation and protect natural resources.	\$ 24,351.30
YMCA Camp of Maine	Morgan Dorsey	morgan@maineycamp.org	Camp Community Woods Trail Development Project	Renovates 0.5 miles of trail, constructs 0.7 miles of new connector routes, adds bridges, drainage, and signage to create a safe, sustainable loop for year-round community use.	\$ 103,870.00
