Overview

Amherst Mountains Community Forest is a 4,974 acres Public Lands parcel with recreation trails and ecologically important forestland surrounding six ponds in the town of Amherst. Wildlife, including peregrine falcons, brook trout, deer, bear, partridge, and woodcock thrive here; and thousands of migratory birds arrive each spring to nest on these lands. Secluded remote pond camping, hiking, snowmobiling, and ATVing are available here.

Forest management on the property is practiced in partnership with the Town of Amherst. The Bureau’s forest practices are third-party certified by two independent standards: the Forest Stewardship Council® and the Sustainable Forestry Initiative®.

PARTNERS AND SUPPORTERS

The State of Maine’s Bureau of Parks and Lands purchased Amherst Mts. Community Forest in 2009, with help and funding from the:

• Forest Legacy Program and,
• Land for Maine’s Future (LMF)

The property is managed through a unique state-municipal-private partnership. The Bureau of Parks and Lands owns the property but it is managed jointly with the Town of Amherst, which receives assistance from the Forest Society of Maine Recreational Trails Program. This brochure was made possible in part by funding assistance through the Federal Highway Administration’s Recreational Trails Program (RTP), administered by the Maine Bureau of Parks and Lands.

Amherst Mountains Community Forest is open year-round. Be prepared for changing conditions and take extra care during the winter months.

www.maine.gov/amherst

Spring
Birdwatchers keep a lookout for the arrival of migratory birds.

Summer
Anglers fish for brook trout. Special rules apply. Visit www.main.gov/ifw/ for fishing license and season information. Hikers enjoy the views to Acadia afforded at several of the overlooks. ATV and bicycle riders make use of the shared-use Ducktail Pond Road/22-00-0 Rd.

Autumn
Fall foliage can be viewed from the water or trail. Typical view time is mid-September through first week in October. For foliage reports visit: MaineFoliage.com Wear blaze orange during hunting season.

Winter
Snowmobile riders pass through along Ducktail Road/22-00-0 Rd. when it is not plowed.

Visitor Rules

Fires
Kindle fires only in authorized campsites with fire rings. Do not cut live vegetation.
www.maine.gov/forestpests

Pets
Pets in campsites must be leashed and attended; outside of campsites, pets must be under control.

Trash
Carry out all trash.

Fishing
All those fishing must have a valid license and review the State’s open water fishing regulations. Anglers are asked to use lead-free sinkers and jigs to prevent metal poisoning of loons, eagles and other wildlife. www.main.gov/ifw/

Hunting
Although hunting is allowed in season, do not discharge weapons within 300 feet of any picnic, camping, or parking area, marked hiking trail or other developed area. Hunting license and season information is available at www.maine.gov/ifw/

Limit of Stay
45-day period

Power
Use no chainsaws, generators or other power equipment around campsites.

Equipment
equipment around campsites.

Abandoned
BPL staff may take custody of any personal property left unattended for more than 3 days (unless advance written permission is given).
Trails

Bald Bluff Trail (easy to moderate, 2-mile spur & loop): Begins and ends at the trailhead at the northwest corner of the lands off the 22-00-0 Rd. Follow the spur from the trailhead for 0.3 miles and a gain of 180 ft elevation to the 1.7 mile loop. Two scenic viewpoints and the quiet, remote feel make this a very rewarding hike.

Ducktail Pond Trail (moderate, 0.7 miles): Provides access to Ducktail Pond and campsite at the half-mile mark of the trail. Continue 0.25 miles past the pond, as the trail turns southward, to connect to the Partridge Pond Trail.

Halfmile Pond Trail (moderate, 0.1 miles): A short hike down to the pond overlook. Note that road to parking is closed during mud season.

Partridge Pond Trail (moderate, 1.7 miles): Provides access to Partridge Pond and a campsite in 1.3 miles. At 0.8 miles the trail intersects the Ducktail Pond Trail. At 1.1 mile the trail forks: the right fork ends at the Partridge Pond and campsite in 0.2 miles; the left fork continues for 0.6 miles on the west side of Partridge Pond before it dead ends.

ATV riding is allowed on the 22-00-0 Rd./Ducktail Pond Road. ATV riders should be on the lookout for hikers, bikers, and cars that may use the road as well. For more information about ATV trails contact local clubs at www.atvMaine.org. The Bureau of Parks and Lands Off Road Vehicle office may be reached at (207) 287-2751, and at www.maine.gov/dacf/atv and www.maine.gov/dacf/snowmobile.
